principles and practices of psychiatry, psychiatric social work, physical therapy, psychology, the rehabilitation therapies, and other ancillary medical services; a manager's responsibility for promoting equal opportunity in hiring and employee development and promotion, and for maintaining a work environment which is free of discrimination and harassment.

ABILITY TO

Formulate and manage a Wellness and Recovery Model; integrate the programs with the overall functions of the hospital or developmental center; communicate effectively; work independently in identifying the need for and developing proposed changes in program practices and procedures; analyze complex medical and administrative problems and take effective action; effectively promote equal opportunity in employment and maintain a work environment that is free of discrimination and harassment.

REQUIRED COMPETENCIES:

SAFETY

Actively supports a safe and hazard free workplace through practice of personal safety and vigilance in the identification of safe or security hazards, including infection control.

THERAPEUTIC STRATEGIES AND INTERVENTIONS

Apply and demonstrate knowledge of correct methods in the use of the Therapeutic Strategies and Interventions.

CULTURAL AWARENESS

Demonstrates awareness to multicultural issues in the workplace, which enable the employee to work effectively.

SITE SPECIFIC COMPETENCIES

TECHNICAL PROFICIENCY (SITE SPECIFIC)

LICENSE OR CERTIFICATION

It is the employee's responsibility to maintain a license, credential, or required registration pertinent to their classification on a current basis. Any failure to do so may result in termination from Civil Service.

Employees in this position **must:**

Possession of the legal requirements for the practice of medicine in California as determined by the California Board of Medical Examiners.

RESTRAINT/SECLUSION

Demonstrate knowledge of criteria and appropriately use, apply, and remove restraint and/or seclusion.

TRAINING - Training Category = D-1

The employee is required to keep current with the completion of all required training.

WORKING CONDITIONS:

EMPLOYEE IS REQUIRED TO:

- Report to work on time and follow procedures for reporting absences;
- Maintain a professional appearance;
- Appropriately maintain cooperative, professional, and effective interactions with employees, individuals served and the public; and

- Comply with hospital policies and procedures.

The employee is required to work any shift and schedule in a variety of settings throughout the hospital as determined by the operational needs of the hospital. The employee is required to have an annual health review and repeat health reviews whenever necessary to ascertain that they are free from symptoms indicating the presence of infection and are able to safely perform their essential job functions.

Regular and consistent attendance is critical to the successful performance of this position due to the heavy workload and time-sensitive nature of the work. The incumbent routinely works with and is exposed to sensitive and confidential issues and/or materials and is expected to maintain confidentiality at all times.

The Department of State Hospitals provides support services to facilities operated within the department. A required function of this position is to consistently provide exceptional customer service to internal and external customers.

Incumbent will be held accountable for maintaining the program expenditures within budgeted allocations and to use funds for proper needs while tracking and reporting expenditures to ensure fiscal transparency and accountability.

Statement of Economic Interests / Form 700 Requirements:
 The Political Reform Act requires employees who serve in this position to file a Statement of Economic Interest (Form 700) as designated in the department’s conflict-of-interest code. Your Form 700 is due within 30 days of assuming office/position, annually, and within 30 days of leaving office/position. The annual Form 700 due date is determined by the Fair Political Practices Commission and is generally due on or about April 1 of each year. The statements must be submitted to the hospital Filing Officer. These statements are public access documents. You will receive reminders from the hospital Filing Officer regarding completion of the statements; however, it is your responsibility to ensure you are compliant with all regulations and requirements. For additional information regarding the Statement of Economic Interests or regulations, please contact the hospital Filing Officer.

Ethics Training and Compliance:
 Pursuant to Assembly Bill 3022 and Government Code 11146.4, employees required to file a Form 700 Statement of Economic Interests must complete an Ethics orientation training course within six months of assuming a Form 700 designated position, and every two (2) years thereafter, by December 31 of each even numbered year. The Ethics training governs the official conduct of state officials. You will receive reminders from the hospital Filing Officer regarding completion and documentation of the training; however, it is your responsibility to ensure you are compliant with the required training. Your Ethics training record and certificates of completion are public access documents. For additional information regarding the Ethics training and regulations regarding this requirement, please contact the hospital Filing Officer.

I have read and understand the duties listed above and I can perform these duties with or without reasonable accommodation. (If you believe reasonable accommodation is necessary, discuss your concerns with the Office of Human Rights).
