YOU ARE A VALUED MEMBER OF THE DEPARTMENT'S TEAM. YOU ARE EXPECTED TO WORK COOPERATIVELY WITH TEAM MEMBERS AND OTHERS TO ENABLE THE DEPARTMENT TO PROVIDE THE HIGHEST LEVEL OF SERVICE POSSIBLE. YOUR CREATIVITY AND INGENUITY ARE ENCOURAGED. YOUR EFFORTS TO TREAT OTHERS FAIRLY, HONESTLY, AND WITH RESPECT ARE CRITICAL TO THE SUCCESS OF THE DEPARTMENT'S MISSION.

Under the administrative supervision of the Supervising Registered Nurse (SRN) II/III, Correctional Facility (CF), and the clinical supervision of a Physician and Surgeon, CF, or Physician and Surgeon, CF (Internal Medicine/Family Practice), the Medical Assistant (MA) provides support to primary care providers in a variety of health care settings. The MA, under the clinical direction of a provider or the valid authorization by a provider's order, is responsible for performing patient oriented procedures, providing support to the Primary Care Team (PCT) for daily clinic operations, communicating effectively with patients and members of the PCT and other health care team members, and performing administrative duties. The MA is responsible for addressing the ongoing needs of patients, working with the physicians and other health care providers, and promoting the efficient, appropriate, and cost-effective use of health care resources.

% of time performing duties	Indicate the duties and responsibilities assigned to the position and the percentage of time spent on each. Group related tasks under the same percentage with the highest percentage first. <i>(Use addition sheet if necessary)</i>
-----------------------------	---

ESSENTIAL FUNCTIONS**40%**

As a member of the PCT, facilitates appropriate access to care, provides care coordination to patients, reviews patient health records and the Quality Management Master Registry to assist in the organization and scheduling of activities, and to facilitate the appropriate delivery of health care services across disciplines and health care domains for patients assigned to the provider's panel. Prepares and explains the encounter/evaluation process to patients. Prepares examination rooms for patient examinations and procedures by arranging instruments, supplies, and equipment and assisting the provider as needed. Collects and documents patient health data and patient's subjective health care concerns and symptoms for provider review. Obtains and documents clinical data such as vital signs, height, weight, observations of patient behavior and health status in the patient health record. Communicates instructions from the provider to the patient in writing and/or verbally. Communicates with members of the PCT and conveys team concerns to the provider. Performs therapeutic interventions within their Scope of Practice as specifically directed by the provider, and documents care in the patient health record. Identifies signs of physical or emotional distress in patients and communicates findings to provider, Registered Nurse, and/or supervisor. Performs basic life support in emergency situations. Processes physician, nurse practitioner, and physician assistant orders in accordance with current procedures. Under the direction of the provider, performs patient oriented procedures such as venipuncture, finger stick, eye/ear washes, collection of specimens, basic dressing changes, and suture/staple removal consistent with training and Scope of Practice. Performs electrocardiograms, basic nebulizer/inhaler treatments and immunizations. Administers tuberculosis skin tests, measures and documents findings in the patient health record (may not interpret). Demonstrates for the patient the proper use of appliances (e.g.,

<p>40%</p>	<p>crutches, canes, braces), and issues Durable Medical Equipment in accordance with current policy.</p> <p>Performs various administrative duties such as maintaining health records and scheduling patient appointments. Accompanies patients from the waiting area to examination rooms with, or without, the assistance of correctional officers. Participates in the daily PCT huddle and population management sessions. Collaborates with the Interdisciplinary Treatment Team (IDTT) to prevent or delay onset of a chronic disease and to coordinate care to achieve optimal clinical and quality of life outcomes. Escalates clinical abnormalities or concerns to the provider. Utilizes decision support tools such as master registry, patient summaries, scheduling and diagnostics reports, and other tools to assist the provider in monitoring the effectiveness of treatment planning and adjusting course of care in collaboration with the PCT. Maintains appropriate accountability of inventory, equipment, and supplies. Restocks and orders necessary supplies and equipment and elevates barriers to the SRN II, CF. Maintains the cleanliness of examination rooms and all treatment areas. Adheres to infection control, standard precautions, and protocols in the use of personal protective equipment, as needed, for all patient care procedures, equipment maintenance, and waste disposal.</p>
<p>10%</p>	<p>Attends all trainings, meetings and committees as directed by the Chief Nurse Executive (CNE) or designee.
