Financial Audits Branch

Division
Audits and Investigations

This position requires the incumbent maintain consistent and regular attendance; communicate effectively (orally and in writing if both appropriate) in dealing with the public and/or other employees; develop and maintain knowledge and skill related to specific tasks, methodologies, materials, tools, and equipment; complete assignments in a timely and efficient manner; and, adhere to departmental policies and procedures regarding attendance, leave, and conduct.

Job Summary: The Auditor I is the entry and initial working level of the Health Program Auditor series. Travel of up to 15% is required. Overnight travel is routinely required and out of state travel including overnight and/or weekend stays may be required.

Supervision Received: Under the supervision of the Health Program Audit Manager I.

Supervision Exercised: None

Description of Duties: The Auditor I is the entry and initial working level of the Health Program Auditor series.

Percent of Time Essential Functions

85% The Auditor I is the trainee and initial working level of the Health Program Auditor series. The Auditor I assists with compliance, financial and/or management audits. These audits are a combination of in-house desk audits and field audits, generally in the acute care or long term care program areas, but they may also include audits in the public health or rural health clinic program areas. Typical audit procedures include review and verification of total revenue and expense accounts, balance sheet accounts, statistical data, cost allocation bases, and the preparation of audit working papers. After accumulating experience, the Auditor I is expected to independently conduct less difficult or routine audits where no problems are anticipated and in-depth testing is not required. Travel of up to 15% is required. Overnight travel is routinely required and out of state travel including overnight and/or weekend stays may be required.

10% Assists the lead auditor in the completion of audit reports, which includes preparing supporting schedules and charts, and independent preparation and submission of reports for assigned phases of an audit. Attends audit entrance and exit conferences with the lead auditor.

Percent of Time Marginal Functions

5% Attends meetings and/or interviews with staff of the facility audited, Departmental staff, and state program representatives. Performs other related duties that are within the scope of this

classification, as required.
