This series describes Painter classifications utilized by the Department of Corrections and the Department of the Youth Authority. Positions in this series may instruct, lead or supervise inmates, wards, residents or patients of the Department of Corrections or the Department of the Youth Authority; prevent escapes and injury by these persons to themselves or others or to property; maintain security of working areas and work materials; inspect premises and search inmates for contraband, such as weapons or illegal drugs. These classifications are subject to safety retirement.

This is a parallel classification series of Painter, which is utilized by State agencies other than the Department of Corrections or the Department of the Youth Authority.
