

California State Auditor

Duty Statement

Classification:	Auditor Evaluator I (Performance)
Position Number:	339-100-4088-900
Division:	Audits
Employee Name:	
CBID:	E
Designated Conflict of Interest Position: Yes <input type="checkbox"/> No <input type="checkbox"/>	
Position Description/Duties: Under direct supervision, the incumbent in the Auditor Evaluator I classification assists in the planning, data gathering, analytical tasks, and completion of a segment of an audit. The work includes extensive communication with auditee staff and with coworkers and supervisors in a collaborative work environment; and thorough and accurate documentation of audit activities and findings both during field work and in the development of audit reports.	
Job Functions - Essential (E) / Marginal (M) Functions:	
40% E	<p>Performs audit activities in conformance with auditing standards, independently and as part of an audit team, to fulfill the objectives of the audit and the mission of the California State Auditor by:</p> <ul style="list-style-type: none"> • Using evidence to develop the five elements of a finding to convey strong, compelling arguments that are responsive to the audit objectives and comply with government auditing standards. • Ensuring all work complies with the office policies and procedures outlined in the Comprehensive Manual, including professional ethical standards and government auditing standards. • Maintaining professional skepticism by assessing the validity of statements and other evidence as well as identifying the need to conduct further evaluation when necessary. • Gathering and assessing federal and state laws and regulations, policies, procedures, processes, best practices, and industry standards to develop the criteria against which the audited agency will be held accountable. • Gathering and assessing documentary, physical, and testimonial evidence and ensuring it is the best source of evidence and that it is sufficient and appropriate to use to support workpapers and the audit report. • Ensuring all evidence is collected following the office’s confidentiality policies and procedures to protect confidential information from inappropriate or unauthorized access, use, or disclosure. • Generating analytical evidence through qualitative and quantitative analyses. • Performing detailed audit tests using various analytical techniques to evaluate agency performance against relevant criteria, as well as the effectiveness of relevant internal controls. • Developing—using approved auditing software (e.g. Teammate)—complete, logical, well organized, and accurate workpapers that address audit procedures and develop audit findings and conclusions. • Maintaining an awareness of the potential for fraud, waste, and abuse in audited agencies and immediately reporting the potential for these conditions to management. • Utilizing Excel spreadsheets or other data analytic tools to track, analyze, interpret, and communicate data, including performing descriptive statistical analyses (e.g., frequencies, averages) and creating tables, charts and/or graphs to illustrate or analyze specific features of data.

	<ul style="list-style-type: none"> • Performing data reliability assessments using various analytical methods to ensure that data is accurate, complete, and reliable for our purposes. • Developing specific, measurable, attainable, relevant, and timely recommendations that address the root cause of audit findings and that also address relevant perspectives from the audited agency.
20% E	<p>Assists in the scoping and planning of audit activities to ensure plans address audit objectives and will fulfill auditing standards by:</p> <ul style="list-style-type: none"> • Conducting research on the subject of an audit to inform the development of audit procedures. • Gathering and analyzing relevant evidence to understand the audit environment, assess relevant internal controls, and to inform the development of audit procedures. • Assisting in developing audit procedures that define the most effective course of action and the analysis necessary to address the audit objectives while also mitigating audit risk. • Assisting audit management with determining budgeted hours necessary to effectively complete audit procedures in a timely manner.
20% E	<p>Assists with the development of thorough and accurate audit reports to present audit findings and recommendations by:</p> <ul style="list-style-type: none"> • Responding to coaching notes during fieldwork and reporting to ensure workpapers and report drafts are accurate, fair, complete, consistent, and align with government auditing standards. • Assisting in writing sections of draft reports that effectively communicate, using the best sources of evidence and compelling examples, the findings, conclusions, and recommendations of an audit. • Developing graphics to communicate background information and audit results for use in the report. • Providing specific references to the best evidence in the workpapers during indexing to align draft report text with the evidence and—when there are differences between the report text and the evidence—obtaining better evidence when possible, or modifying the draft report text. • Conducting and participating in quality control reviews of report drafts including editing, indexing, and risk review processes to ensure report information is accurate and clear. • Helping audit management complete end of audit tasks such as writing the HTML language for the report, annotating the final report draft, and confirming all workpapers are properly marked confidential to ensure each project complies with the offices policies, procedures, and expectations.
10% E	<p>Communicates with auditees, coworkers, management, and others to obtain necessary information and to convey information related to audit procedures, findings, and recommendations by:</p> <ul style="list-style-type: none"> • With guidance from audit management, preparing for and conducting interviews with audit agency staff to understand the audit environment, collect information, and to obtain the agency’s perspective on potential audit findings and recommendations. • Writing clear, concise, and accurate interview confirmations to confirm auditee statements when other forms of evidence are not available. • Providing team members, audit management, the Executive Office, and auditees verbal or written information that includes the appropriate amount of detail and is clear, concise, accurate, professional, and timely to ensure effective communication throughout the audit process.

	<ul style="list-style-type: none"> • Collaborating with service units such as legal, data analytics, and Creative Solutions, to work together to develop or convey the results of the work performed. • With guidance from audit management, contributing in Executive Office meetings and team meetings to communicate audit issues and preliminary audit findings by answering questions in a concise, professional, and accurate manner. • With guidance from audit management, presenting and defending audit findings, conclusions, and recommendations to the auditee during agency meetings. • On occasion, participating in legislative staff briefings that discuss the results of the audit, and doing so in a poised, professional manner.
10% E	<p>Performs administrative functions and other duties as assigned:</p> <ul style="list-style-type: none"> • Remaining current on California State Auditor policies and procedures to ensure work is performed accurately and in accordance with office standards. • Attending training courses to remain current on auditing standards and practices, and to broaden work-related knowledge.
Supervision Received:	Reports directly to and receives the majority of assignments from the Senior Auditor Evaluator I – III; however, direction and assignments may also come from the Principal Auditor and/or the Deputy State Auditor.
Supervision Exercised:	None
Special Requirements:	None
Working Conditions:	<ul style="list-style-type: none"> • This position is eligible for participation in the office’s hybrid telework program. Work at the alternate work location must be conducted in a space that is ergonomically sound, private, distraction-free, and has safe working conditions to be eligible to telework. • Work performed in the office is in an air-conditioned high-rise building with elevator access and both natural and artificial lighting. • Work may require sitting for an extended period of time using a personal computer and the use of standard office equipment, such as phones, copiers or scanners. • Work may require periodic non-standard work hours and work during weekends to meet workload needs and demands. • Work may require travel, working away from headquarters and/or long and irregular work hours.
