- 10% Develop lesson plans directly aligned to the OCE approved curriculum, textbooks, and industry standards. Organizes and effectively communicates class/course objectives, standards, and the requirements for successful achievement, e.g., syllabi, tests, specific tasks to students. Prepares students to attain the OCE approved industry specific certifications and provides instruction of the OCE approved coursework in literacy for those students who fall within guidelines of PC 2053.1. Prepare lesson plans that will allow students to progress toward trade certification when students are not able to access the shop due to such reasons as institutional lockdown.
- 10% Reports to the direct supervisor and clearly communicates information both verbally and in writing regarding program issues. Performs the instructional duties with a professional and cooperative work ethic and maintains an effective working relationship with department personnel and students. Accurately prepares Education Monthly Report and Monthly Accomplish Report data and submits the information to the direct supervisors as required within the established time frames. Required documentation includes, but is not limited to: Permanent Class Record (CDC-151) Student Progress Reports (128-E), student disciplinary reports (CDC-115, CDC-128-A, and CDC-128-B), Work Supervisors Report (CDC-101), Inmate Work Supervisor's Time Log (CDC-1697), Vocational Training Evaluation Report (CDC-153), Record of Educational Achievement (CDC-154) Milestone Credit Earning (CDC-128-B), and all appropriate and specific industry certification documents. Appropriately complete, maintain and appropriately update all student records. The instructor purchases supplies, materials and equipment in accordance with policies and procedures.
- 5% Maintain all required records for student matriculation through the program. Ensures that all students are progressing through the course according to the curriculum and established pacing matrix. Report students who refuse to actively engage and progress. Appropriately ensures security of all tests. Operates basic office equipment and performs routine typing and basic computer operations in order to accurately track, maintain, and submit all required documentation logically associated with the vocational programs to include, but not limited to: inmate attendance, disciplinary, assessment, safety, and industry and curricula and milestone achievements, as directed and within the established reporting time periods.
- 5% Maintains institutional security by properly following escape prevention policies and procedures. Maintains classroom and shop discipline, provides a safe classroom and shop learning environment, prevents injury to self and inmates. Administers, stores, controls and issues all tools within the vocational classroom and shop in a manner that maintains safety and security of the institution and the specific vocational classroom and shop. Maintains a clean, well-organized classroom/shop and associated storage areas. Appropriately wears a personal alarm device and adheres to other CDCR sanctioned security requirements. Understands, follows and teaches the mandated safety requirements, hazardous-material (SB198) requirements, rules and regulations per California Code of Regulation Title 15, established local policies and procedures, and applicable laws governing the specific vocational program. Adheres to given budget and appropriately orders programs supplies, tools and equipment which directly relate to the curriculum and industry standards. Ensure that all purchasing documents are thoroughly completed and timely submitted during the purchasing phase. Follows appropriate institutional requirements for purchasing. Upon arrival of tools and supplies, appropriately logs, scribes, and store items in a timely manner.
- 5% Attends required educational staff meetings to obtain knowledge of the CDCR, institutional, and OCE mission and goals. Actively participates in committee meetings such as preparation for the Department compliance Review and Audit Committee visitation, Western Association of Schools and Colleges (WASC) groups, Site Literacy Council, Inmate Advisory and Curriculum meetings, Industry meetings, etc. Evaluates and orders approved textbooks, curriculum materials and equipment in accordance with policy and procedures. Possesses and maintains all required credentials, licensures, and training as required by CDCR/OCE. The instructor stays current with the trends, processes, innovations and technology advancements of the applicable trade. Maintains required In-Service-Training (IST) hours by attending scheduled IST and on-the-job training classes including, but not limited to, all mandatory classes and the annual block training.
