Essential Functions (including percentage of time)

- 35% Travels to and conducts in-depth surveys of healthcare facilities, individually or as part of a team, to determine compliance with state licensing and federal certification requirements. Conducts and documents interviews of healthcare facilities’ residents, staff, and other relevant personnel. Requests and reviews resident medical files for relevant patient information, documenting necessary information for legal action while ensuring patient confidentiality. Independently, or as part of a team, makes a determination of healthcare facilities’ compliance with state and federal laws and regulations based on survey findings and observations. Prepares written comprehensive narrative reports of findings including conclusions and recommendations and prepares written statements of deficiencies when deemed appropriate.
- 35% In response to complaints submitted to the CDPH regarding patient care and healthcare delivery in licensed healthcare facilities, the incumbent travels to and conducts investigations of facilities, documenting fully for legal actions all evidence relating to non-compliance. Conducts and documents interviews of healthcare facilities’ residents, staff, and other relevant personnel. Requests and reviews resident medical files for relevant patient information, documenting necessary information while ensuring patient confidentiality. Independently makes a determination of healthcare facilities’ compliance with state and federal regulations and prepares written comprehensive narrative reports of investigations including conclusions and recommendations, and prepares written statements of deficiencies when deemed appropriate.
- 10% Develops and presents both written and verbal testimony to provide support for civil monetary penalties at informal conferences, citation review conferences, evidentiary hearings, informal dispute resolutions, municipal or superior court proceedings, and arbitration procedures. Responds to these legal actions as an expert witness on matters relating to State and federal laws and regulations pertaining to patient care and the healthcare delivery system.
- 10% Attends meetings and participates in local programs to improve uniform compliance in licensed health care facilities. Attends training sessions in order to keep abreast of trends in the healthcare delivery system and industries.
- 5% Advises and assists healthcare facility administrators in matters relating to the State requirements for inspections, licensing, construction, and operation of healthcare facilities.

Marginal Functions (including percentage of time)

- 5% Other duties as required, including, but not limited to, collecting data required for special studies and preparing licensing and complaint packets for staff.

I certify this duty statement represents an accurate description of the essential functions of this position. I have discussed the duties and have provided a copy of this duty statement to the employee named above.		I have read and understand the duties and requirements listed above, and am able to perform these duties with or without reasonable accommodation. (If you believe reasonable accommodation may be necessary, or if unsure of a need for reasonable accommodation, inform the hiring supervisor.)
