STATE OF CALIFORNIA
DEPARTMENT OF FORESTRY AND FIRE PROTECTION

POSITION ESSENTIAL FUNCTIONS DUTIES STATEMENT
PO-199 (04/01)

INSTRUCTIONS: The Director is required by Government Code Section 19818.12 to report (or to record) "...material changes in the duties of any position in his or her jurisdiction". The Position Essential Functions Duties Statement is used for this purpose. Enter identifying information and effective date at the right. Enter brief description of each of the important duties and responsibilities of the position below. Group related duties in numbered paragraphs and indicate the percentage of total time occupied. Indicate the "essential functions" of the position by placing an asterisk (*) in front of those individual duties you determine to be essential to the job. Discuss the duties with the employee assigned to the position. Both the employee and supervisor sign the document where indicated. The supervisor retains the original document and provides a copy to the employee.

Job qualifications and/or conditions of employment:

"We have discussed this document in its entirety and understand the duties of this position."

Employee Signature: ___________________________ Date: ____________

Supervisor Signature: ___________________________ Date: ____________
Percentage of Time Required | Effective on the date indicated, the employee assigned to the position identified above performs the following duties and responsibilities.
---|---
10% | *Train for and participate in the Department's emergency mission as required. *24-hour-a-day availability, consistent with the approved work week, will be necessary at times during declared fire season. *Emergency assignments of extended duration, within and out of the Unit, will be required. *Maintain active liaison with the Unit fire protection program during declared fire season to ensure appropriate emergency response availability of assigned staff.
5% | Assist the Unit in development and execution of the budgetary policy and allocation for the Unit's Resource Management Program where appropriate.
5% | Represent the Unit in resources programs both publicly and internally when appropriate or requested by the Unit Chief. Maintain effective working relationships with other State and Federal environmental protection agencies. Maintain effective working relationships with forest landowners in the Unit.
5% | Responsible for supervision and effectiveness of Resource Management clerical support and office management.
5% | Perform such other duties as may be assigned or delegated by the Unit Chief.

The incumbent is required to wear respiratory protection equipment, including self-contained breathing apparatus (SCBA). The use of such equipment may place a physiological burden on the incumbent that varies with the type of equipment used, the job and workplace conditions in which the equipment is used, and the medical status of the incumbent. As such, Cal/OSHA requires that the incumbent be annually medically cleared to be fit-tested for respiratory protection equipment. This clearance process consists of a comprehensive medical evaluation including a review of the incumbent's medical history, a complete physical examination, and vision, hearing, spirometry, and exercise treadmill tests.

*These are the essential functions for this position. Essential functions are those functions that the individual who holds the position must be able to perform unaided or with the assistance of a reasonable accommodation.

Job qualifications and/or conditions of employment: Registered Professional Forester License required. Completes CAL FIRE Firefighter Academy (FFA) and Company Officer Academy (COA) training during probationary period as a condition of employment.
