Job Description

Under the general direction of the Staff Services Manager I (SSM I), Contracts and Procurement Manager, the incumbent develops, enhances, and monitors procurement procedures and policies. The incumbent performs the more complex, varied, and analytical assignments related to contract and grant administration, recipient compliance, and consultation on procurement activities performed within the Energy Commission. Working independently on fiscal and program activities are an integral part of the analyst’s responsibilities. The incumbent works on the planning, development, accounting, evaluation, award, fiscal compliance, and reporting of the contracts, grants, and loans programs.

Essential Duties

35% Coordinates the development and administration of the Energy Commission’s departmental contract program. Develops program policy to ensure the Energy Commission’s purchasing policies and procedures are consistent with current law, regulations, executive orders, and best practices. Serves as a liaison for questions from control agencies regarding department procurements.

Consults with Energy Commission employees, control agencies, and contractors or recipients regarding contract and grant agreement requirements, procedures, and policies. Enforce and follow Energy Commission procedures for processing agreements including selecting applicable terms and conditions, routing through the appropriate offices and ensuring scheduling at an Energy Commission Business Meeting.

25% Independently administer, close out, and audit agreements, in coordination with Energy Commission and other state agency program staff, administrative staff, and contractors or recipients. Independently develop, evaluate, and select alternatives which best solve complex contract, grant, or loan problems involving regulation requirements, program goals, terms and conditions, or payments.

15% Coordinate and administer the contractor or recipient selection process (solicitation), provide procedural guidance for solicitation workshops, and provide technical guidance for the selection committee. Interpret and enforce state solicitation requirements.

10% Interpret and enforce state and federal contract, grant, and loan rules, regulations and guidelines. Assure compliance of terms and conditions with applicable state or federal requirements and make necessary or advisable conforming changes.

10% Independently develop reports to assist program staff with any phase of the contract, grant, or loan process. These reports include performance reports, budget revisions, and other documents required by the grantors or state control agencies. Independently analyze contract, grant, and loan program expenditures and fiscal management information reports for accuracy and consistency with contract or grant budget amounts, allowable cost standards, budget revisions, reporting provisions, and other financial management terms and conditions.

Marginal Duties

5% Perform other duties as required, consistent with the specifications of the classification.

Knowledge, Skills, and Abilities

Knowledge of: Principles, practices, and trends of public and business administration, management, and supportive staff services such as budgeting, personnel, and management analysis; government functions and organization; and methods and techniques of effective conference leadership.

Ability to: Reason logically and creatively and utilize a variety of analytical techniques to resolve complex governmental and managerial problems; develop and evaluate alternatives; analyze data and present ideas and information effectively both orally and in writing; consult with and advise administrators or other interested parties on a wide variety of subject-matter areas; gain and maintain the confidence and cooperation of those contacted during the course of work; coordinate the work of others, act as a team or conference leader; and appear before legislative and other committees.
Working Conditions

The California Energy Commission offers a hybrid workplace model that is designed to support a distributed workforce of both office-based and remote-centric workers that relies on a high level of telework. Limited-in person attendance and occasional travel may be required based on the needs of the division. Regular and consistent attendance - whether office-based or remote-centric - is essential to the successful performance in this position. This position is remote centered which means the incumbent works 50 percent or more of their time monthly from an alternate work location (i.e., teleworking).

Diversity and Inclusion Statement

As a State agency serving all Californians, the California Energy Commission is committed to being an organization that embodies diversity, equity, and inclusion. The Energy Commission plays an active and meaningful role in creating an environment that enables each employee to thrive.
