3. DUTIES AND RESPONSIBILITIES OF POSITION	
Summary Statement: (Briefly describe the position's organizational setting and major functions)	
<p>Under the direction of the Staff Services Manager I, the incumbent is responsible for varied, and complex technical analytical assignments pertaining to the management of multiple workforce programs such as program implementation and oversight, and administrative functions related to the effective administration of funds distributed across California. The incumbent is tasked with ensuring programs across California align with the laws and regulations of the funding source as well as meet the goals and objectives of the California Workforce Development Boards (CWDB) State Plan by acting as a liaison between the grantees and the CWDB providing support and guidance as needed.</p> <p>The CWDB strives to cultivate regional leadership and system alignment through the Workforce Innovation and Opportunity Act (WIOA) regional planning and the development of initiatives that fund and inspire innovations that solve some of the challenges that are keeping Californians with barriers to employment from achieving success in jobs and careers. The incumbent will be responsible for the administrative work in relation to updating exhibits for new programs, establishing a contract or subgrant, processing invoices and performing quarter report analysis. The incumbent will be responsible for implementing programs, and</p>	

capturing lessons and successes that can be communicated internally and externally throughout the California workforce system.

As a full journey level analyst in support of the CWDB, the incumbent is knowledgeable in workforce development and works collaboratively with team members, the Employment Development Department (EDD) partners and the CWDB field staff. The incumbent performs professional writing through written correspondence with the grantee team members, partners, and management, and in developing and updating a wide variety of documents. The incumbent may be asked to attend meetings and conferences as a representative of the CWDB, and is expected to maintain a high level of professionalism and develop technical competencies in Microsoft applications, telework platforms, Salesforce, and CalJobs.

Percentage of Duties	Essential Functions
40%	<p>Independently oversees one or more initiatives; including but not limited to maintaining full knowledge of the program(s) and keeping up to date on any changes in legislation and regulations, as well as performing grant program management for awarded funds;</p> <ul style="list-style-type: none"> • <u>Contract, Subgrant, and Grant Timeline Management</u>: Coordinating with grantees and internal partners to finalize contract and subgrant agreements. Tasks associated with this include and are not limited to engaging in exhibit revisions with grantees, submitting proper documentation for processing to internal partners for contract/subgrant execution, tracking and properly documenting movement to ensure timelines are met. Tracking activities, events, tasks and assignments related to facilitation of convenings, and keeping up to date timeline of grant performance and programmatic components. • <u>Fiscal</u>: Establishing excel tracking systems for contract/subgrant expenditures, processing invoices for state programs, running and analyzing expenditure reports for federal programs in CalJOBS, providing technical assistance to grantees as appropriate and notifying management of any obstacles related to budget allocations and spending, performance issues, and data discrepancies. • <u>CalJOBS data tracking system</u>: Understand the system from grantee and administrative/project management perspective to appropriately run reports to verify and analyze pertinent data. Provide technical assistance, develop grant guidance documents, and coordinate trainings, and at times acting as a liaison between the grantee and both internal and external partners. • <u>Grant Communication Lead</u>: Acting as main point of contact for all project related communications. Oversee requests and inquiries from grantees and partners through to the end, ensure timely follow-up and exceptional customer service. • Daily work requires knowledge of Microsoft Office products, including Word, Excel, Outlook, and PowerPoint in order to provide grantees with needed information and maintain timely and consistent communication.
30%	<p>Support program and grant management activities:</p> <ul style="list-style-type: none"> • <u>Quarter Reports</u>: Prepare quarterly and supplemental report templates for grantees to capture specific program information, analyze reports to highlight best practices and lessons learned and to evaluate project's outcomes and spending. Provide assistance to grantees as appropriate and proactively raise project deliverable or expenditure concerns to management in order to address with technical assistance or guidance as soon as possible. • <u>Presentation of Information/Analysis</u>: Present findings, inquiries, and grantee questions to management in clear, concise, and comprehensive manner, utilizing training guides and resources such as state and federal grant laws to research specific guidance to

25%	<p>resolve challenges or barriers for grantees . Consults with management, provides recommendations to grantees.</p> <ul style="list-style-type: none"> • Research and utilize appropriate rules and regulations for both state and federal funding streams. • Draft executive summaries for projects that are awarded as part of the Secretary Action Request (SAR) process, and for executive staff briefings. <p>Additional responsibilities:</p> <ul style="list-style-type: none"> • Developing or revising exhibits and instructions for Request for Applications (RFA), grant initiation documents, and grantee onboarding processes. • Participate in organizing grant program Community of Practice events, which may include developing PowerPoint trainings for application process and/or orientations. • Assist CWDB staff from all branches and collaborate with internal and external subject matter experts and stakeholders to complete complex research and analysis for special projects as assigned. • Attend virtual and in person meetings, conferences, and communities of practice as a representative of the CWDB, and as an opportunity to learn from other members.
