Under the general supervision of the Accounting Administrator II, manager of the PCARD and Accounts Payables (AP) Branch, the incumbent provides direction and oversight to a group of semi-professional and professional accounting staff and is responsible for day to day operations within the Accounts Payable (AP) Unit of the Accounting Section. Responsible for monitoring and tracking expenses to meet the financial deadlines of the organization. Preparing accurate and timely financial reporting is critical. Typical duties include:

- Plan, coordinate and monitor staff's workload in the Department of Accounting Office (DAO) which includes auditing of purchase orders, service orders, contract payments, P-Card transactions, leases, unemployment insurance, Voyager, Citibank payments, utility payments, court settlements, grant and bond payments for Natural Resources agency and other miscellaneous payment documents related to vendor payments.
- Approve invoice and P-card vouchers in the Financial Information System for California (FI$CAL) system and ensure payments are applied to the correct chart field values and proper documentations are attached before submission to State Controller's Office (SCO).
- Develop, establish and maintain reporting systems necessary for the tracking and reporting of delinquent P-Card accounts and outstanding invoices and/or vouchers from the FI$CAL system. 
- Oversee, review and monitor the accounting processes to include but not limited to reconciliations of expenditures, encumbrances, and budget/appropriations. “Research and resolve sensitive and complex issues related to accounting transactions to ensure that the department's accounting and reporting are in compliance with State rules and regulations, established departmental policy, and any issues are resolved in a timely manner. Monitor the Department’s CAL-Card/P-CARD Past Due report to avoid any accounts from being suspended.
- Responsible for the annual 1099 reporting process. * Responsible for daily error correction, claim cut resolution, and monthly revolving fund replenishments and status. * Provide cash balance and cash flow analysis as needed to process the invoices. * Ensure accuracy and transparency guidelines are met as imposed by Department guidelines. * Incumbent prepares correspondence responses to departmental staff, management and other State agencies.

*These are the essential functions for this position. Essential functions are those functions that the individual who holds the position must be able to perform unaided or with the assistance of a reasonable accommodation.

Equal Employment Opportunity (EEO) Statement: All CAL FIRE employees are expected to conduct themselves in a professional manner that demonstrates respect for all employees and others they come in contact with during work hours, during work related activities, and anytime they represent the department.
