| 35%                | Under the direction of the Accounting Administrator I (Supervisor), manager of the Systems Unit, this staff specialist will maintain responsibility for performing system application activities, database creation, operation and maintenance. The Associate Accounting Analyst works independently in a highly technical area and will require a high level of coordination and cooperation with other areas and good working knowledge of professional accounting practices and principles utilized in State Government. Typical duties include:
| * Update, add, delete, and maintain Chart of Accounts and various crosswalk related to FI$Cal and legacy coding. * Prepare and maintain Plan of Financials Adjustments (PFA). * Reconcile various interfaces to ensure accuracy. * Prepare and process reclass and cost allocations monthly. * Analyze FI$Cal monthly reports to calculate amounts owed to the Clearing Account and prepare PFA. * Create and publish monthly month-end reports. * Apply accounting principles and practices, analyze data and draw sound conclusions, review discrepancies accurately and adopt effective course of action regarding accounting data. |
| 20%                | * Prepare monthly labor reconciliation. * Verify any errors in the monthly labor report, work with IT on timesheets upload. * Communicate with FI$Cal on any systems error. * Reconcile the employee master file on a monthly basis. * Communicate with the budget office and Unit on any updates/issues. |
| 15%                | * Act as back up for department’s monthly reconciliations, financial statements, the year-end close (YEC) and the year-end open (YEO) process. * Coordinates the completion of year-end financial reports to Control Agencies. * This coordination includes preparation of procedures and training for the accounting office, and program staff consisting of field and headquarters employees. |

*These are the essential functions for this position. Essential functions are those functions that the individual who holds the position must be able to perform unaided or with the assistance of a reasonable accommodation.

Equal Employment Opportunity (EEO) Statement: All CAL FIRE employees are expected to conduct themselves in a professional manner that demonstrates respect for all employees and others they come in contact with during work hours, during work related activities, and anytime they represent the department. Additionally, all CAL FIRE employees are responsible for promoting a safe and secure work environment free from discrimination, harassment, inappropriate conduct, or retaliation.

Job qualifications and/or conditions of employment: Excellent attendance, positive attitude, tactful, professional, ability to lead and work in a group, ability to get along well with others, ability to qualify for fidelity bond, knowledge of state accounting system, good analytical skills, and good communication skills.
