**Essential Functions (including percentage of time)**

35% Independently provide technical guidance and consultative assistance for the service contract and grant administration functions of multiple Departmental programs whose contract types are less common and of greater complexity. Perform research and analysis to gain a basic understanding of the goals and contractual needs of the assigned California Department of Public Health (CDPH) programs, which includes: cost reimbursement direct services/subvention contracts and grants; business, consultant, and personal service contracts; college foundation agreements, incoming fund contracts; information technology (IT) contracts; interjurisdictional exchange agreements; and interagency, public college and university agreements.

Objectively study and analyze drafts, and finalize new, renewal, and amendment contracts and grant agreement packages prepared by CDPH program staff and develop timely findings and written recommendations for altering and improving those packages to secure Departmental and control agency approval. Re-assess items that appear incomplete, misassembled, inadequate, and/or fail to substantially comply with contract policies; investigate root causes for such deficiencies and return materials to program staff with recommended work-around options and constructive correction instructions.

Create an automated record of the draft agreements in the Contract Management Unit's (CMU's) Draft Tracking Log. As needed, assist program staff in the completion or correction of contract forms and development or correction of contract exhibits. As needed, respond to draft and final contract status inquiries. Escalate the most complex corrections or issues to the SSM I for review.

30% Provide technical advice and consultative services to programs on complex topics including, but not limited to: location, selection, and use of contract models; fillable form location and usage requirements; scope of work development requirements and format options; budget content, format, and calculation requirements; optional contract exhibit use; contract language options and usage applicability; advance payment, prospective payment, and cost reimbursement requirements; benefits of Public Contract Code exemptions; requirements of nonprofit organization student contracts; Administrative Relief options and applicability; Cooperative Agreement and Direct Services Act requirements; requirements for submitting competitive bid award documentation; and documentation requirements for use of Disabled Veteran Business Enterprise (DVBE) firms. Act a liaison with CDPH's assigned Department of General Services (DGS) attorney to coordinate corrections and/or approval of CDPH contracts transmitted to DGS for approval. Sign and certify the accuracy of the content of Agreement Summaries (STD 215s).

Independently research, analyze, interpret, and communicate complex contract related laws, regulations, policies and procedures appearing in various resources including the Public Contract Code, State Contracting Manual, applicable control agency websites, State Administrative Manual management memos, CDPH Administration Division Information Memos, CMU contract and bid models, CDPH Intranet web pages, CMU bulletins, Health Administrative Manual, California Code of Regulations, and CDPH program statutes. Research, review, and apply current Departmental contract approval requirements and occasionally research Federal policies affecting Federally funded contracts and grants.
15% Provide advice and technical assistance to program staff on solicitation documents to ensure appropriate process is used, e.g. Non-Competitive Bid (NCB), Request for Proposal (RFP), Invitation for Bid (IFB), Request for Application (RFA). Write and distribute instructional guides to provide information and assistance to program staff for developing procurement documents. Direct program staff to information and tools available for analyzing DVBE utilization compliance.

15% Troubleshoot complex problem contracts returned unapproved by DGS and coordinate needed corrections with program staff. Prepare rebuttals and responses to DGS contract return notices; conduct necessary research to follow-up on contracts that become stalled in the development or approval process; coordinate and attend meetings with program staff as needed to discuss contract policies, requirements, or procedures; and provide hands-on contract training to new program staff.

Develop outgoing correspondence or edits and revises correspondence prepared by program staff. Provide direct support and backup assistance to other CMU analysts. Cooperate with Federal, State, and Departmental auditing staff; collect or develop data to provide input and make recommendations to revise or develop contract policies and procedures; prepare the more complex bill analyses related to contract functions; prepare ad hoc and/or mandated contract reports; and participate in group contract reviews, or contract training presentations.

Marginal Functions (including percentage of time)

5% Performs other work-related duties as assigned. May be assigned to act in lead capacity in the SSM I’s absence.

I certify this duty statement represents an accurate description of the essential functions of this position. I have discussed the duties and have provided a copy of this duty statement to the employee named above.

I have read and understand the duties and requirements listed above and am able to perform these duties with or without reasonable accommodation. (If you believe reasonable accommodation may be necessary, or if unsure of a need for reasonable accommodation, inform the hiring supervisor.)
