GENERAL DESCRIPTION OF DUTIES

Legal staff in the Office of Legislative Counsel provide professional services to Members of the California Legislature and, in certain situations, to the executive and judicial branches of state government and to private citizens. These legal services do not involve policy advocacy, nor do they involve partisan political activities. The legal staff primarily draft and analyze legislative measures, prepare opinions, both oral and written, regarding the effect and constitutionality of proposed legislative measures and other legal issues, and give advice regarding legislative rules and procedures. In this connection, the legal staff conduct in-depth legal research and deal with both state and federal law. In performing these tasks, the legal staff confer with legislators, legislative staff, and other authorized persons interested in these legislative measures and assist them in preparing legislation. The legal staff must deal tactfully with others in pressure situations and must work effectively as team members. Graduate Legal Assistants perform similar work but in a training capacity and under the immediate direction of a licensed attorney.
