<b>Summary Statement:</b> (Briefly describe the position's organizational setting and major functions)	
Information Technology Domains (Select all domains applicable to the incumbent's duties/tasks.) <input checked="" type="checkbox"/> Business Technology Management <input type="checkbox"/> IT Project Management <input type="checkbox"/> Client Services <input type="checkbox"/> Information Security Engineering <input type="checkbox"/> Software Engineering <input type="checkbox"/> System Engineering	
<p>The Information Technology Specialist (ITS) I position resides in the Business Technology Management domain comprising of: information technology policy development, information technology procurement, business analysis and strategic planning.</p> <p>Under the direction of the Information Technology Supervisor II, the ITS I performs the more complex and sensitive tasks, that will require regular innovative problem solving within broadly stated and non-defined guidelines. Responsibilities will include leading the efforts to develop, plan, organize, coordinate, and maintain the following tasks including, but not limited to: developing procurement documents, including solicitations, work authorizations, and amendments, etc. The ITS I analyzes and evaluates the more complex</p>	

IT solicitations and vendor responses, and acts as a Department liaison to internal and external entities. The ITS I may work up to full-time on procurement tasks related to the EDDNext Project.

The ITS I contributes toward the growth of the IT Branch into a customer-focused service organization by following IT Branch cultural principles and by providing constructive feedback to others within the IT Branch regarding the application of those principles.

Works collaboratively with the Technology Governance Division management team and staff, briefs and advises managers, exercises initiative and independence of action, and demonstrates tact and good judgement. The incumbent communicates effectively in order to develop and maintain cooperative working relationships. The incumbent adapts easily to changing priorities and maintains consistent, predictable attendance in the performance of these specific functions.

The ITS I is required to have a very broad knowledge of the principles for the initiation, review, and approval for IT procurements and service contracts.

Percentage of Duties	Essential Functions
45%	Serves as a lead in developing the more complex Requests for Proposals, Invitations for Bids, Requests for Offers, Requests for Information and Requests for Quotes solicitations and Statements of Works. Acts as an evaluation and selection subject matter expert for a wide variety of solicitations, and especially those that are more broadly in nature.
25%	Administers the procurement process in accordance to State and EDD guidelines. Develops procurements and service contracts for items including, but not limited to, product maintenance, technical support, hardware, software, and consulting/professional services.
15%	Ensures the procurement follows State and EDD guidelines, applicable laws, rules and regulations (State Contracting Manual, Public Contract Code, State Administrative Manual, Statewide Information Management Manual, Government Code, and Unemployment Insurance Code) for acquisition execution and management.
10%	Provides guidance in resolving more complex business and/or IT-related problems. Acts as a liaison to internal and external entities which may include, but are not limited to, the Labor and Workforce Development Agency, California Department of Technology, Department of Finance, Department of General Services and California State Auditor. Plans, attends, and participates in meetings with internal and external entities and acts as a subject matter expert. Provides knowledgeable business and technical analysis. Provides, project support, and consulting services including, but not limited to, procurement initiation, cost estimation, and training. Meets customers' expectations and business needs.
Percentage of Duties	Marginal Functions
5%	Performs other duties as assigned.
