Essential Functions (including percentage of time)

- 40% Provides technical assistance to RMU staff as an SME on all aspects of the development of complex contracts related to COVID-19 response, including Scope of Work (SOW), budgets, deliverables, travel, equipment, and other documents as required by Contracts Management Unit (CMU) and Accounting. Provides technical guidance and expertise in the analysis, negotiation, and preparation of various complex procurement documents (including, but not limited to, Private Vendor Contracts, Interagency Agreements, Requests for Proposal, Invitations for Bid, purchase orders, and service orders) and other procurement-related assignments to ensure the long-term success of health programs within California. Ensures all processes adhere to the CMU, Accounting, and Department of General Services (DGS) guidelines, and state contracting policies and procedures. Verifies availability of funding by confirming with the CPR and the Budget Office. Reviews contractors' invoices for appropriate expenditures by comparing invoice back-up documentation to budgets for accuracy and allow ability under CDPH guidelines. Communicates with contractor and fiscal analyst any discrepancies. Develops written correspondence, program guidance, policy letters, bill and programmatic analysis, monitoring reports, and administrative/operational and training manuals as required.
- 35% Develops plans for contract monitoring and program evaluation in accordance with prescribed procedures to ensure contract compliance and completion of program goals. Actively searches and identifies new funding to support expansion or development of health programs to improve emergency preparedness efforts. Participates in the review and alignment of critical resource approval and documents to ensure alignment of goals with the CPR and department regarding imagery and commitment. Develops, monitors, and maintains complex fiscal electronic and paper files of the procurements to ensure compliance with the State and Federal procurement policies. Analyzes invoices against executed contracts requirements and order for compliance, completeness, and deliverables. Researches and analyzes contractors' qualifications. Assists in the resolution of contractor issues including, but not limited to, invoice disputes, product discrepancies, etc. Provides technical guidance in the resolution of all complex procurement issues by working closely

with the CPR staff, CMU, and contractors. Reviews invoices for accuracy of CALSTARS coding and invoice log entries. Reviews amendments to the invoice log to ensure they reflect the funding modifications of the contract. Generates and disseminates pertinent health program information, summaries, and/or updates catered to various audiences such as Center for Preparedness and Response (CPR) management and staff, CDPH Executives, program partners, and other stakeholders.

10% Develops, tracks, and monitors contracts, including payment tracking and reporting requests from management. Reviews, and analyzes invoices prior to payment and provides guidance and recommendations to vendors, contract managers, executive management team, and Program Support Branch. Ensures that the SOW includes all contract deliverables in compliance with the State Contracts Manual and Program Support Branch Guidance. Ensures proper billing codes are requested from fiscal analysts to ensure appropriate funding is being utilized. Creates and/or updates databases using Excel for tracking invoices. Prepares contract reporting requirements for the reimbursement contract and implements systems for monitoring and tracking of allocations and fiscal management systems for tracking expenditures and deliverables of contracts. Plans, prepares, coordinates, and participates in the procurement processes, including requests for proposals, requests for applications, and the development of technical assistance guidelines. Develops procurement documents, proposal reviews, and negotiation processes. Participates in scoring, negotiating, and approving of funded projects.

10% Serves as a representative of RMU and participates in meetings with all levels of management, departmental and external staff, and external staff to discuss yearly strategic planning and contractual needs. Participates in branch planning needs assessment processes. Provides consultation to departmental management on a variety of health program contracts and project activities. Travels as needed to attend Federal and State training programs, in-services, continuing education courses, workshops, and conferences necessary to maintain program knowledge and skills.

Marginal Functions (including percentage of time)

5% Performs other job-related duties as required. In the event of an emergency activation, the incumbent may be required, on short notice, to work irregular and overtime hours during disaster operations in order to support one of four CDPH Emergency Operation Centers (EOC). The incumbent is required to participate on an CPR Incident Response Team (IRT).

I certify this duty statement represents an accurate description of the essential functions of this position. I have discussed the duties and have provided a copy of this duty statement to the employee named above.

I have read and understand the duties and requirements listed above and am able to perform these duties with or without reasonable accommodation. (If you believe reasonable accommodation may be necessary, or if unsure of a need for reasonable accommodation, inform the hiring supervisor.)
