

**DUTY STATEMENT**

(07/14)

**SHADED AREA FOR HUMAN RESOURCES ONLY**

		RPA-	EFFECTIVE DATE: <b>11/2023</b>
1. OFFICE State Coastal Conservancy		POSITION NUMBER (Agency - Unit - Class - Serial) 536-200-4809-044	
2. HEADQUARTER LOCATION Oakland, CA		3. CLASS TITLE Conservancy Project Development Analyst II (CPDA II)	
4. WORKING HOURS / SCHEDULE 8:00 a.m. to 5:00 p.m.		5. SPECIFIC LOCATION ASSIGNED TO TBD	
6. PROPOSED INCUMBENT (If known)		7. CURRENT POSITION NUMBER (Agency - Unit - Class - Serial) 536-200-4809-044	
<b>All employees are expected to work cooperatively with others; maintain regular, consistent, and predictable attendance; possess integrity, initiative, dependability, and good judgment.</b>			
8. BRIEFLY (1 - 3 sentences) DESCRIBE THE POSITION'S ORGANIZATIONAL SETTING AND MAJOR FUNCTIONS Under the general direction and guidance of the Regional Manager or Deputy Regional Manager, incumbent will help administer grant programs and projects, including habitat restoration and enhancement, public access, open space conservation, sea level rise adaptation, urban greening and "Explore the Coast" projects in the South Coast region. The incumbent works to solicit and review grant applications, review documents related to projects, write and present staff recommendations for Conservancy Board approval, develop grant agreements in cooperation with legal staff, ensure that all conditions of the grant agreement are met, review invoices, and monitor progress of projects. The incumbent works as part of a regional team at the Conservancy and works with grantees, partner agencies and organizations, tribes, and community groups to support planning and implementation of these projects. Incumbent's duties reflect the priorities identified in SCC's Strategic Plan.			
9. Percentage of time performing duties	10. Indicate the duties and responsibilities assigned to the position and the percentage of time spent on each. Group related tasks under the same percentage with the highest percentage first. <i>(Use additional sheet if necessary)</i>		
45%	In all job functions, employees are responsible for creating an inclusive, safe, and secure work environment that values diverse cultures, perspectives, and experiences, and is free from discrimination. Employees are expected to provide all members of the public with equitable services and treatment, collaborate with underserved communities and tribal governments, and work toward improving outcomes for all Californians.  <b>ESSENTIAL FUNCTIONS</b> <u>Coastal Resilience Project Development and Management</u> Evaluate and assist grantees to implement proposed projects to conserve land, restore or enhance habitats, adapt to climate change, conserve working lands, provide for urban greening and to achieve other Coastal Conservancy objectives. Perform feasibility analyses, gather, and review necessary information, travel as necessary to make site inspections and/or to meet with grant applicants and others during project development. Write staff recommendations with guidance from supervisor and present projects at Conservancy Board meetings. Manage grants and contracts related to projects including follow-up to ensure compliance with terms of contracts and/or grant agreements and invoice review and approval. Provide technical assistance to grantees and partners to develop projects and receive funding from the Conservancy.		
11. SUPERVISOR'S STATEMENT: <b>I HAVE DISCUSSED THE DUTIES OF THE POSITION WITH THE EMPLOYEE</b>			
SUPERVISOR'S NAME (Print)		SUPERVISOR'S SIGNATURE	DATE
12. EMPLOYEE'S STATEMENT: <b>I HAVE DISCUSSED WITH MY SUPERVISOR THE DUTIES OF THE POSITION AND HAVE RECEIVED A COPY OF THE DUTY STATEMENT</b>			
The statements contained in this duty statement reflect general details as necessary to describe the principal functions of this job. It should not be considered an all-inclusive listing of work requirements. Individuals may perform other duties as assigned, including work in other functional areas to cover absence of relief, to equalize peak work periods or otherwise to balance the workload.

Ability to resolve conflicts and discuss potentially contentious issues.</p>

Adaptability: Change one's own behavior or work methods to adjust to other people or to changing situations or work demands; be receptive to new information, ideas, or strategies to achieve goals.

Working in teams: Work cooperatively and collaboratively with others to achieve goals by sharing or integrating ideas, knowledge, skills, information, support, resources, responsibility, and recognition.

Leading others: Motivate, inspire, and influence others toward effective individual or team work performance, goal attainment, and personal learning and development by serving as a mentor, coach, and role model and by providing feedback and recognition or rewards.

Building consensus: Build consensus among individuals or groups by facilitating agreements that involve sharing or exchanging resources or resolving differences in such a way as to promote mutual goals and interests; by persuading others to change their point of view or behavior without losing their future support; and by resolving conflicts, confrontations, and disagreements while maintaining productive working relationships.

Self and career development: Identify own work and career interests, strengths, and limitations; pursue education, training, feedback, or other opportunities for learning and development; manage, direct, and monitor one's own learning and development.

Using information and communications technology: Select, access, and use necessary information, data, and communications-related technologies, such as basic personal computer applications, telecommunications equipment, Internet, electronic calculators, voice mail, email, facsimile machines, and copying equipment to accomplish work activities.

Listening: Attend to, receive, and correctly interpret verbal communications and directions through cues such as the content and context of the message and the tone, gestures, and facial expressions of the speaker.

Speaking: Express ideas and facts orally in a clear and understandable manner that sustains listener attention and interest; tailor oral communication to the intended purpose and audience. Ability to speak in public meetings and represent the Agency in public forums.

Gathering and analyzing information: Obtain facts, information, or data relevant to a particular problem, question, or issue through observation of events or situations, discussion with others, research, or retrieval from written or electronic sources; organize, integrate, analyze, and evaluate information.

Analyzing and solving problems: Anticipate or identify problems and their causes; develop and analyze potential solutions or improvements using rational and logical processes or innovative and creative approaches when needed.

Making decisions and judgments: Make decisions that consider relevant facts and information, potential risks, and benefits, and short- and long-term consequences or alternatives.
