<b>BRIEFLY (1 or 2 sentences) DESCRIBE THE POSITION'S ORGANIZATIONAL SETTING AND MAJOR FUNCTIONS:</b> Public Advocates Office ("the organization") represents residential and small business ratepayer interests in Commission proceedings and processes (e.g., workshops, rulemakings, investigations, utility applications, hearings, advice letters, committee and stakeholder meetings, and other forums). These proceedings and processes set rates, rules, policies, and regulations.  Under the general direction of the Program Manager (PM) of the Electricity Planning & Policy Branch of the Public Advocates Office, the Procurement Cost Recovery Section's Program and Project Supervisor (PPS) primary responsibilities include proactively planning, organizing, and directing the work of professional staff consisting of engineers and analysts, under the Procurement Cost Recovery Section. The incumbent will provide program and policy direction, assign and review work, coach, and mentor new staff, develop job aids and best practices manuals, evaluate work performance, prepare appropriate disciplinary action, provide training for staff development, and recommend or select candidates for assignment and promotion.  The Electricity Planning & Policy (EPP) Branch is comprised of three sections – Resource Planning Section, Procurement Cost Recovery Section, and Climate Change Initiative Section. The incumbent will be responsible for supervising the Procurement Cost Recovery. The branch works in matrix fashion to efficiently allocate and adjust project staffing. The branch directs and guides the Public Advocates Office's analysis and advocacy on complex and major regulatory, policy, and program issues. The incumbent may be assigned responsibility in other areas of the branch and the Public Advocates Office, as required by the Public Advocates Office.
