All employees shall possess the general qualifications, as described in California Code of Regulations Title 2, Section 172, which include, but are not limited to integrity, honesty, dependability, thoroughness, accuracy, good judgment, initiative, resourcefulness, and the ability to work cooperatively with others.

This position requires the incumbent to maintain consistent and regular attendance; communicate effectively (orally and in writing) in dealing with the public and/or other employees; develop and maintain knowledge and skill related to specific tasks, methodologies, materials, tools, and equipment; complete assignments in a timely and efficient manner; and adhere to departmental policies and procedures.

All California Department of Public Health (CDPH) employees perform work that is of the utmost importance, where each employee is important in supporting and promoting an environment of equity, diversity, and inclusivity, essential to the delivery of the department's mission. All employees are valued and should understand that their contributions and the contributions of their team members derive from different cultures, backgrounds, and life experiences, supporting innovations in public health services and programs for California.

Competencies

The competencies required for this position are found on the classification specification for the classification noted above. Classification specifications are located on the <u>California Department of Human Resource's Job Descriptions webpage</u>.

Job Summary

This position supports CDPH's mission and strategic plan by performing various professional duties to assist the Accounting Section with research and analysis of data associated with fiscal operations, provide technical support to fulfill the accounting business needs, and effectively communicate progress of assigned tasks while working in a team environment. The Student Assistant (SA) will update and maintain the automated program tracking systems, acting as a liaison between units and management. The SA will also assist in creating reports using the Financial Information System for California (FI\$CaI) to support management.

The SA will use various software applications such as Microsoft Office products, Outlook, Word, Excel.
