5%	M	Conducts safety meetings and other training. Ensures staff is properly trained and qualified to perform assignments. Monitors crew work habits and conditions to provide for the safety of the crew and public.

¹ESSENTIAL FUNCTIONS are the core duties of the position that cannot be reassigned.
MARGINAL FUNCTIONS are the minor tasks of the position that can be assigned to others.

SUPERVISION OR GUIDANCE EXERCISED OVER OTHERS

This is a supervisory position. Incumbent will directly supervise the assigned unit. Incumbent will be required to establish and maintain control over the entire operation of the assigned unit, and to clearly be the person in charge. Incumbent will use proper disciplinary procedures when needed, but will also work with and develop subordinates into a productive team of motivated employees.

Receives general supervision and direction from the Caltrans Maintenance Area Superintendent. Incumbent is expected to make good decisions independently, but also be able to solicit and accept help if needed or offered. Must be able to maintain control of the assigned area of responsibility, yet be subordinate to the Area Superintendent, accepting and supporting decisions made at levels higher in the chain-of-command.

KNOWLEDGE, ABILITIES, AND ANALYTICAL REQUIREMENTS

Incumbent must have extensive knowledge of the materials, methods, tools, and equipment used in highway and landscape maintenance and construction; operation of a maintenance area; the maintenance of equipment and tools used in highway and landscape maintenance and snow removal; provisions of the California Vehicle Code as it pertains to the loading and operation of motor vehicles; and the operating characteristics of the Integrated Maintenance Management System (IMMS). Must be able to retrieve and analyze information in IMMS; create cost estimates and reports; analyze reports, rules and regulations; and apply to planning, budgeting, cost control, equipment and personnel needs, and work scheduling.

In addition, incumbent must have working knowledge of the Maintenance Manual Volumes I and II, the Safety Manual, the Code of Safe Practices, the Guide to Employee Conduct and Discipline, and all other manuals or guides pertaining to highway maintenance work and workers. Incumbent must also have knowledge of the rules, regulations and procedures for the procurement of materials, goods, and services.

Must have the ability to supervise and direct the work of subordinate members of the assigned unit and to work safely around high-density traffic. Must have the ability to work effectively alone or with others. Must be able to analyze various work situations accurately and make sound decisions.

Must be competent in the use of the English language, mathematics, public speaking, and written communication. Must

DOT PM-0924 (REV 01/2025)

understand and use computers and cellular phones in the conduct of official business. Incumbent must have working competency in word processing, spreadsheet, and email systems. A focus on continuous improvement and training is also desirable.

Must possess a valid Class C California Driver's License, at a minimum. Possession of a valid Class B or Class A driver's license with endorsements for P (Passenger/Bus), H (Hazardous Materials) and N (Tank Vehicle) is highly desirable.

RESPONSIBILITY FOR DECISIONS AND CONSEQUENCES OF ERROR

Error may endanger co-workers and/or the public. Error may also cause a waste of time and waste of tax dollars through extra expense in the maintenance of highways, or damage to State equipment and facilities. Failure to make timely and proper decisions could endanger human lives and property, and result in lawsuits.

PUBLIC AND INTERNAL CONTACTS

Required to maintain good relations with members of the public and employees from the same and other departments within Caltrans, as well as other agencies. May have contact with other public agencies and private individuals almost daily in the course of assignment. Contact may be with hostile public, and employee is expected to maintain a favorable public image for the State. At times may be required to respond to questions from the media.

PHYSICAL, MENTAL, AND EMOTIONAL REQUIREMENTS

Incumbent must be able to engage professionally with all staff, handle sensitive or emotionally charged situations, take direction, solicit and/or accept help if needed or offered, and understand and follow Caltrans policies and guidelines.

Some of this position may occasionally be labor intensive. Incumbent must have the physical ability to react quickly to errant motorists and perform strenuous hand and mechanical labor. The incumbent must have the ability to perform field inspections, which require driving, walking up slopes and on uneven or unpaved ground, bending, and stooping.

Must be able to work long hours under sometime severe conditions. Required to work overtime due to storms, emergencies, special work projects, or when the Supervisor deems that it is in the best interest of the State.

Hearing should be adequate to hear warning devices used for worker safety, including vehicle horns used to warn employees of imminent danger at the work site. Corrected hearing is acceptable.

Sight needs to be corrected to the State of California Department of Motor Vehicles standards for safe vehicle driving. Night vision must be good for safety when working after dark.

WORK ENVIRONMENT

Required to work in a wide range of sometimes extreme conditions, including heat up to 120 degrees, cold to -15 degrees, strong winds, rain, sleet, and snow.

During the winter months the workweek is normally 5/8-hour days. During the summer months the workweeks may be changed to 4/10-hour days. The scheduling of the 5/8 days or the 4/10 days is at the discretion of the District Management and pursuant to operational needs.

Required to work overtime due to storms, emergencies, special work projects, or when the Supervisor deems that it is in the best interest of the State.

Personal safety requirements include:

- A. Work boots, in good and sturdy condition, must be worn to provide foot and ankle support protection.
- B. Either long or short sleeved shirts provided by Caltrans, or a safety vest is to be worn over non-safety shirts or coats.
- C. Long pants. No shorts or cutoffs.
- D. Provided safety gear; hard hat, safety glasses, hearing protection devices, face shields, gloves, respirator, chaps, or other safety gear must be worn when required by the Department.

Some crews are designated travel crews and work out of town on a per diem basis up to 80% of the year.
