Working Title of Position
Battalion Chief- North Division (Smartsville)

Percentage of Time Required	Effective on the date indicated, the employee assigned to the position identified above performs the following duties and responsibilities.
15%	*Responsible for the management and maintenance of State and District Fire stations. *This includes planning for routine maintenance projects and minor repairs. *Responsible for the operation and maintenance of mobile equipment assigned to the Battalion. *Provides an administrative inspection for each vehicle and facility for safety and maintenance standards in the battalion.
10%	*Responsible for arranging training of all personnel, both paid and volunteer, in the skills and knowledge necessary to successfully accomplish their tasks. *Responsible for conducting multi-company drills with personnel in the battalion that will successfully accomplish the goals and objectives as set for emergency operations with the battalion. *Responsible for attending training sessions that will provide greater knowledge to accomplish the supervision of emergency incidents in a very professional manner. *Responsible for the accuracy of training records and reports of the battalion.
5%	Special assignments as required, including, but not limited to, wildland fire suppression and other emergency operations. Respond to emergency incidents as required per Department policy. *Maintain proficiency, qualification, and experience standards in accordance with applicable laws, rules, and departmental policy.
5%	Other duties as assigned. The incumbent is required to wear respiratory protection equipment including self-contained breathing apparatus (SCBA). The use of such equipment may place a physiological burden on the incumbent that varies with the type of equipment used, the job and workplace conditions in which the equipment is used, and the medical status of the incumbent. As such, Cal/OSHA requires that the incumbent be annually medically cleared to be fit-tested for respiratory protection equipment. This clearance process consists of a comprehensive medical evaluation including a review of the incumbent's medical history, a complete physical examination, and vision, hearing, spirometry, and exercise treadmill test. The incumbent typically is required to perform psychologically stressful and/or physically demanding duties consistent with firefighting, disaster response, and emergency medical response, including working in isolated areas, walking or running on uneven rough terrain, and remaining on duty 24 hours or longer without a break while performing these duties. *These are the essential functions for this position. Essential functions are those functions that the individual who holds the position must be able to perform unaided or with the assistance of a reasonable accommodation.

Equal Employment Opportunity (EEO) Statement: All CAL FIRE employees are expected to conduct themselves in a professional manner that demonstrates respect for all employees and others they come in contact with during work hours, during work related activities, and anytime they represent the department. Additionally, all CAL FIRE employees are responsible for promoting a safe and secure work environment free from discrimination, harassment, inappropriate conduct, or retaliation.

Job qualifications and/or conditions of employment: **The incumbent will be required to perform duties for 2 years before being eligible to transfer. May be required to work nights, weekends, and holidays to complete duties.**
