#### **DESCRIPTION:**

Under direction of the Community-Based Adult Services (CBAS), Field & Policy Support Team Section Chief, Supervisor II for Electronic Visit Verification (EVV), the Analyst II performs complex analytical functions supporting the California Department of Aging (CDA) mission. The Analyst II provides support to the EVV Program for CBAS, and the Multipurpose Senior Services Program (MSSP) as mandated under Section 12006 of the federal 21<sup>st</sup> Century Cures Act. This position supports CDA initiatives as they relate to serving California's aging population and disabled adults, working collaboratively with other teams and staff. Responsibility includes sharing team workloads, providing technical assistance, conducting program assessments, compliance, program support, policy and procedures, data analysis as well as contract administration. The individual participates in and supports the vision, mission, and goals of the EVV Program and raises issues needing the EVV team's attention. Analyst II is a full participant in team decision-making, strategy formulation, and problem resolution.

#### **ESSENTIAL JOB FUNCTIONS:**

#### **45% Monitoring, Compliance, and Technical Assistance**

Responsible for the EVV monitoring and compliance program for CBAS and MSSP. Performs ongoing reviews and audits of Jurisdictional Entity (JE) and/or CBAS and MSSP provider records in the EVV systems to ensure registration, compliance, and plan of correction is adequate. Develops and refines EVV monitoring tools and performance metrics to evaluate JE, CBAS, and MSSP provider compliance to ensure access to health care for program participants. Oversees timely data collection from JEs and providers. Analyzes data collected from JEs and providers to identify trends, deficiencies, and opportunities for improved compliance and appropriate plan of correction. Develops and distributes necessary Utilization Review (UR) documents and reviews subsequent JE/Provider Corrective Action Plans (CAPs) to ensure compliance with the EVV Program. Reviews, analyzes, and samples managed care plan, CBAS, and MSP provider performance data using the EVV systems to ensure compliance. Collaborates with the managed care plan to address and resolve areas of non-compliance or non-performance for corrective actions and continued program compliance. Provides consultative support and technical assistance for JEs, CBAS, and MSSP to improve EVV monitoring and performance standards. Engages in limited in-state travel to support monitoring and training efforts.

Conduct and review analytical studies and surveys by performing data analysis and effectively presenting research findings and information both written and orally at EVV program meetings, with various stakeholders and advisory groups, and to the federal Centers for Medicare & Medicaid Services (CMS) to ensure compliance with the federally mandated requirements of the 21st Century Cures Act. Serves as liaison to EVV and Health-At-Home Branch staff to support overall EVV program goals and objectives by providing technical support, and training to enhance registration and ensure compliance. Oversees special investigations of JEs and providers to evaluate the accuracy of the information provided in the EVV systems to the state to ensure compliance with federally mandated requirements of the 21st Century Cures Act. Provides guidance, support, and technical assistance to staff researching and resolving complaints from participants or other stakeholders. Reviews appeals, grievances, and monitoring reports using EVV systems to ensure and determine appropriate levels of managed care plan monitoring and successful outcomes.

Coordinates internal and external stakeholder meetings related to EVV policy, development, implementation, and ongoing maintenance and operations. Provides direct and ongoing technical support to stakeholder groups and individuals; includes JE and provider training and support in the use of third-party technologies that are fundamental to EVV; keeps management apprised of issues and recommends potential solutions. Responds to inquiries from other state departments, as well as other CDA divisions, and provides technical assistance. Uses spreadsheet software to create, compile, disseminate, organize, and present data for use in reports and other tracking activities. Acts as a liaison to software as a service (SaaS) vendor and OTSI personnel to assure new product releases meet EVV requirements for quality and functionality.

#### **20% Policy Development**

Leads in the development and maintenance of policies and procedures related to EVV requirements in support of state and federal laws. Provides policy recommendations for management review. Review existing policies and EVV documents to carry out EVV program objectives and goals ensuring

all materials are complete and in proper format. Formulates procedures, policies, and program alternatives. Conducts notification and training, provides support for federal reporting, and completes tracking implementation across CBAS and MSSP programs to ensure compliance.

### **20% Communications and Outreach**

Works closely and collaboratively with CDA EVV Program SME and other state departments to prepare and develop JE and Provider eBulletins, All-Center Letters, Information Notices, Waiver Agency Notices, and other Provider and JE communications. Attends and leads EVV meetings and training events, as required. Develops communications to ensure consistent messaging across EVV Program. Coordinates with internal and external stakeholders to gather content, verify accuracy, and ensure communications are accessible, timely, and in compliance with state and federal guidelines. Leads and facilitates EVV-related meetings, webinars, and training events for stakeholders, providers, and internal staff as needed.

### **10% Stakeholder Engagement**

Responds to inquiries from the public, including community stakeholders, and provides technical assistance on matters involving EVV to ensure compliance with the federally mandated requirements of the 21st Century Cures Act. Engages in limited in-state travel to attend trade association events, training, or other meetings to remain current on EVV Program goals, objectives and federal and state requirements.
