ESSENTIAL FUNCTIONS

35% Analyze, research, develop, and revise regulations to meet program, legislative, and/or stakeholder needs for the Community Care Licensing Division. This includes working collaboratively with a diverse group of internal/external stakeholders, which might include providers, advocacy groups, and other Departments, such as the Office of Regulation Development and the Office of Administrative Law. Conduct, synthesize, and distill research on existing policies and procedures to determine currency of material and participate in stakeholder and/or policy staff meetings to inform the development and interpretation of regulations.

20% Perform all phases of analyzing proposed legislation affecting care facilities licensed by the Community Care Licensing Division. Research information necessary to support analysis, organize data and findings, determine impact, and prepare detailed written analyses and recommendations. Inform management, Division administration and stakeholders on assigned legislation, monitor legislation, and prepare updated analyses. Assist in the interpretation and/or preparation of proposed legislation, which may include collaboration with other applicable departments.

20% Respond to requests for policy clarification and interpretation received from program staff, advocates, providers, the Legislature, the public, and other stakeholders. Maintain and update the Division Manual of Policies and Procedures and CCLD Evaluator Manual. Research, collect data, and prepare recommendations on various issues/special projects to present to management, stakeholders, providers, advocacy groups, other Departments, and the Legislature.

20% Plan, develop, draft, and support the implementation of programs or procedures related to new legislation, policy and regulations. Provide policy overviews to program headquarters and regional offices on significant changes to policies, procedures, and best practices. Collaborate with the Administrator Certification Section and Central Training Section to ensure implementation of training, delivery of new laws, policy and regulation changes. Provide consultation, research, and editorial support in the production of the Division's Quarterly Updates and resource guides for licensees.
