

POSITION DUTY STATEMENT

PM-0924 (REV 01/2022)

CLASSIFICATION TITLE Senior Transportation Engineer, CT	OFFICE/BRANCH/SECTION D3/NR Construction	
WORKING TITLE Area Construction Engineer / Senior Resident Engineer	POSITION NUMBER 903-502-3161-XXX	REVISION DATE

As a valued member of the Caltrans leadership team, you make it possible for the Department to provide a safe and reliable transportation network that serves all people and respects the environment.

GENERAL STATEMENT:

Under the direction of an Area Construction Manager, a Supervising Transportation Engineer. the incumbent acts as an Area Construction Engineer, supervising various classifications of engineers and support staff, which are administering construction projects throughout the Region, and may also be Resident Engineer on large or very complicated projects.

The Area Construction Engineer maintains liaison with Cities, Counties, Regional Agencies, Forest Service, Federal Highway Administration and others: conducts field reviews for contract compliance; understands the contract administration process; monitors the status of construction projects, and is responsible for efficiently constructing quality facilities within the designed cost, scope and schedule for delivery. Must be a professional licensed engineer. A valid California drivers license is required when operating a state owned or leased vehicle.

CORE COMPETENCIES:

As a Senior Transportation Engineer, CT, the incumbent is expected to become proficient in the following competencies as described below in order to successfully perform the essential functions of the job, while adhering to and promoting the Department's Mission, Vision, Values, Strategic Imperatives and Goals. Effective development of the identified Core Competencies fosters the advancement of the following Leadership Competencies: Change Commitment, Risk Appetite, Self-Development/Growth, Conflict Management, Relationship Building, Organizational Awareness, Communication, Strategic Perspective, and Results Driven.

- **Managing Change:** Demonstrating support for organizational changes needed to improve the department's effectiveness; supporting, initiating, sponsoring and implementing change. (Safety First, Cultivate Excellence - Engagement, Innovation)
- **Dealing with Ambiguity (Risk):** Can comfortably handle risk and uncertainty, as well as make decisions to act without having the total picture. (Safety First, Strengthen Stewardship and Drive Efficiency - Engagement, Innovation, Integrity)
- **Initiative:** Ability to identify what needs to be done and doing it before being asked or required by the situation. Seeks out others involved in a situation to learn their perspectives. (Safety First, Cultivate Excellence, Enhance and Connect the Multimodal Transportation Network - Engagement, Innovation)
- **Problem-solving and Decision-making :** Identifies problems and uses logical analysis to find information, understand causes, and evaluate and select or recommend best possible courses of action. (Cultivate Excellence, Strengthen Stewardship and Drive Efficiency, Advance Equity and Livability in all Communities - Engagement, Equity, Innovation)
- **Teamwork and Collaboration:** Sets team structure. Organizes, leads, and facilitates team activities. Promotes team cooperation and encourages participation. Capable of cross functionality and working well with others on a team to achieve personal goals, team goals, and organizational goals. Takes responsibility for individual actions in order to achieve consistent results. (Cultivate Excellence, Strengthen Stewardship and Drive Efficiency - Innovation, Pride)
- **Organizational Awareness:** Contributes to the organization by understanding and aligning actions with the organization's strategic plan, including the mission, vision, goals, core functions, and values. (Cultivate Excellence - Pride)
- **Communication:** Expresses oneself clearly in all forms of communication. Gives feedback and is receptive to feedback received. Knows that listening is essential. Keeps others in the Division and other functional units informed as appropriate. (Strengthen Stewardship and Drive Efficiency - Engagement)
- **Workforce Management:** Hires and retains appropriate staff. Conducts workforce and succession planning. Provides feedback on performance. Addresses employee issues in a timely manner. (Safety First, Cultivate Excellence - Equity, Pride)
- **Technical Expertise:** Depth of knowledge and skill in a technical area. (Safety First, Enhance and Connect the Multimodal Transportation Network - Innovation)

POSITION DUTY STATEMENT

PM-0924 (REV 01/2022)

TYPICAL DUTIES:

Percentage		Job Description
	Essential (E)/Marginal (M) ¹	
50%	E	As an Area Construction Engineer, the incumbent makes decisions and institutes action that constitutes the practice of civil engineering. Prepares reports and correspondence for management and makes presentations of information, concerning upcoming and ongoing projects, to the local agencies and general public being affected by projects in their area. As Resident Engineer and first line supervisor, supervises the activities of a team of inspectors, surveyors, consultants and office personnel in the inspection and administration of very large ongoing construction projects. The incumbent makes decisions on difficult engineering and administrative problems to keep projects running on time and within budget. Keeps accurate and accountable project records to insure the State's interest is properly represented during any claims hearings or litigation, concerning the project. Review plans for completeness and accuracy. Prepare reports, estimates and correspondence for management and contractors during the construction of the project. The incumbent will present information concerning the project during public hearings.
30%	E	The incumbent will prepare and present claims presentations, representing the State's interest during contractors' claim hearings and litigation hearings. Perform special construction related research and reports, as requested by management, regarding construction projects, workload and resource needs. Under special circumstances, may act as Project Manager on a series of construction projects.
10%	E	Meet and confer with District Division Chiefs and senior level staff who are Construction's customers, to ensure the various District programs and project guidelines are met.
