Job Description Summary

Under general direction of an Attorney Supervisor, the Attorney IV will be responsible for providing a broad spectrum of legal advice on diverse subjects related to the Authority’s operations and objectives, with a high level of difficulty or sensitivity. The Attorney IV is expected to possess advanced knowledge of the National Environmental Policy Act (NEPA) and familiarity with the California Environmental Quality Act (CEQA). The incumbent will complete assignments and provide legal advice and guidance by using state and federal legal authority in some or all of the following areas of law as well: contracts, environmental and land use, procurements, real property and eminent domain, open meetings, public records, conflicts of interest, governance, construction, public works, public infrastructure, public-private partnerships, utilities, public funding and financing, personnel and employment, and/or administrative law. The Attorney IV must be familiar with the associated state and federal laws and regulations and understand how such laws and regulations apply to public entities and public projects. The incumbent researches and analyzes legal authorities and provides oral and written advice to Authority staff; drafts, edits, negotiates and provides advice on complex agreements and settlements; and works collaboratively with other members of the Legal Office and the Authority’s staff. The incumbent also works closely with, and directs the work of, outside counsel regarding legal advice and litigation.
