INCUMBENT (If known)		EFFECTIVE DATE				
California Correctional Health Care Services (CCHCS) is committed to building and maintaining a culturally diverse workplace. We believe cultural diversity and backgrounds, experiences, perspectives, and unique identities should be honored, valued, and supported, and we believe all staff should be empowered. We are proud to foster inclusion and representation in all levels of the CCHCS. CCHCS values all team members. We work cooperatively with team members and others to enable CCHCS to provide the highest level of service possible. We encourage creativity and ingenuity while treating others fairly, honestly, and with respect, all of which are critical to the success of CCHCS mission.						
PRIMARY DOMAIN:						
Under the clinical supervision of the Chief Psychiatrist, Correctional and Rehabilitative Services (Safety), the administrative supervision of the Supervising Registered Nurse (SRN) II/III, Correctional Facility (CF), and the direction of the Staff Telemental Health (TMH) provider, the Medical Assistant (MA) provides support to the TMH provider in a variety of health care settings. The MA shall be responsible for assisting with telemental health clinic visits including preparing patients and administrative support for clinics as needed, assisting with on-site correspondence and care coordination between TMH and on-site staff, and providing support to the mental health care team for daily operations.						
% of time performing duties	Indicate the duties and responsibilities assigned to the position and the percentage of time spent on each. Group related tasks under the same percentage with the highest percentage first. (Use addition sheet if necessary)					
ESSENTIAL FUNCTIONS						
40%	As a member of the mental health treatment team, facilitates appropriate access to care, provides care coordination to patients, reviews patient health records, scheduling, and the Quality Management Master Registry to assist in the organization and scheduling of activities, and to facilitate the appropriate delivery of health care services across disciplines and health care domains for patients assigned to the TMH clinician's panel. Prepares and explains the encounter/evaluation process to patients. Prepares interview rooms for patient evaluations, facilitates the institution-side videoconferencing connection, and assists the TMH provider as needed. Ensures equipment necessary to facilitate TMH appointments is in good working order and collaborates with the information technology (IT) team to troubleshoot technology issues that may arise. Collects and documents patient health data and patient's subjective health care concerns and symptoms for the TMH clinician's review. Obtains and documents clinical data such as vital signs, height, weight, observations of patient behavior and health status in the patient health record. Communicates instructions from the TMH provider to the patient in writing					

	and/or verbally. Facilitates distribution of paperwork to patient as directed by TMH provider and obtains patient signature as needed, such as for medication consent forms or refusals. Facilitates upload of such documents to patient chart through proper channels as needed. Facilitates TMH cell front communication with patients as indicated. Communicates with members of the treatment team and conveys team concerns to the TMH provider. Performs therapeutic interventions within their scope of practice as specifically directed by the TMH provider, and documents care in the patient health record. Identifies signs of physical or emotional distress in patients and communicates findings to the TMH provider, Registered Nurse, and/or supervisor. Performs basic life support in emergency situations. Processes orders in accordance with current procedures. Under the direction of the TMH provider, performs patient oriented procedures consistent with training and scope of practice. Performs electrocardiograms, immunizations, administers tuberculosis skin tests, measures, and documents findings in the patient health record (may not interpret).
40%	Performs various administrative duties such as maintaining health records, scheduling patient appointments, and creating/maintaining the TMH provider's daily schedules. Arranges for multidisciplinary meetings between the TMH provider and mental health team with medical and dental staff as needed for patient care. Prepares daily task lists for completion, including documentation of recent laboratory results, rules violation reports, medication and/or laboratory refusals. Daily, completes required documents in accordance with policies such as Audit Information Management System forms, laboratory requirements, and medication monitoring. Accompanies patients from the waiting area to interview rooms with, or without, the assistance of correctional officers. Participates in the mental health treatment team huddle and population management sessions. Collaborates with the interdisciplinary treatment team (IDTT) to prevent or delay onset of chronic disease and mental health decompensation and to coordinate care to achieve optimal clinical and quality of life outcomes. Escalates clinical abnormalities or concerns to the TMH provider. Utilizes decision support tools such as master registry, patient summaries, scheduling and diagnostics reports, and other tools to assist the TMH provider in monitoring the effectiveness of treatment planning and adjusting course of care in collaboration with the mental health treatment team. Maintains appropriate accountability of inventory, equipment, and supplies. Restocks and orders necessary supplies and equipment and elevates barriers to SRN II, CF. Maintains the cleanliness of interview rooms and all treatment areas. Adheres to infection control, standard precautions, and protocols in the use of personal protective equipment, as needed, for all patient care procedures, equipment maintenance, and waste disposal.
10%	Attends all trainings, meetings and committees as directed by the Chief Nurse Executive (CNE), Chief Psychiatrist (CP), or designee(s). Participates in quality improvement activities such as chart reviews, audits, and participation on the Quality Improvement Team. Assists in the development, revision, and implementation of all policies and procedures as directed by the CNE, CP, or designee(s).
5%	Maintains a safe and secure work environment and follows all safety precautions and Department policies and procedures. Reports any unsafe equipment or inappropriate conduct and/or activity to management.
5%	Performs other related duties as required.
