General Statement

This position requires the incumbent to maintain consistent and regular attendance; communicate effectively (orally and in writing if both appropriate) in dealing with the public and/or other employees; develop and maintain knowledge and skill related to specific tasks, methodologies, materials, tools and equipment; complete assignments in a timely and efficient manner; and adhere to department policies and procedures regarding attendance, leave, and conduct.

Equity Statement

The Department of Toxic Substances Control (DTSC) values diversity, equity, and inclusion throughout the organization. We foster an environment where employees from a variety of backgrounds, cultures, and personal experiences are welcomed and can thrive. We believe the diversity of our employees is essential to inspiring innovative solutions. Together we further our mission to protect California's people and environment from harmful effects of toxic substances by restoring contaminated resources, enforcing hazardous waste laws, reducing hazardous waste generation, and encouraging the manufacture of chemically safer products.

Position Description

Under the general supervision of the Staff Services Manager I, the Office Technician (General) serves as the Sacramento Regional Office Vehicle and Reprographics Coordinator, provides other administrative support and is responsible for the following duties including, but not limited to:

Essential Functions (Including percentage of time):

35%	Vehicle Maintenance Plans and implements a preventive maintenance program for the safety and integrity of the vehicles and to maximize fuel efficiency. Schedules vehicle maintenance appointments with approved vendors. Schedules and transports vehicles for service, coordinating with the Department of General Services (DGS) Office of Fleet and Asset Management (OFAM), State
------------	--

	<p>Vehicle Inspector, and DGS-authorized commercial vendors for repair and washing as needed. Follows through on repairs for any vehicle problems reported by staff. Verifies vehicle repair invoices and submits them to the Regional Administrative Manager for approval and submission to the accounting office. Maintains electronic repair logs for all vehicles. Collect and reviews the Monthly Travel Logs (STD. 273) from each vehicle for completeness; enter data into the DGS OFAM database. Prepares and inputs data into the DTSC State Vehicle Monthly Mileage Summary report. Submits the report to the DTSC Statewide Vehicle Administrator by the required due dates. Assists in assessing vehicle inventory needs for the Sacramento Regional Office. Coordinates with supervisor to develop the justification request for additional or replacement vehicles, including the preparation of Vehicle Acquisition Request (OFA 160). Coordinates with the Procurement Analyst to purchase vehicles supplies, components, or accessories that contain recycled or environmentally friendly materials consistent with state contract and procurement requirements. Prepares the property survey reports for DTSC owned vehicles, obtains approvals and coordinates disposal. Assists staff in completing and submitting Accident Reports as required by the State Administrative Manual. Responds to and schedules staff requests to reserve vehicles utilizing the Outlook Vehicle Reservation System. Sends confirmation notices to staff and assists with identifying and offering alternatives when there is a scheduling conflict, or the vehicle is unavailable. Checks-out vehicles to staff and issues vehicle packets, including keys, credit card, mileage log and proper forms. Ensures all state regulations and policies are followed by informing staff and updating each vehicle binder. Processes all mandatory State Vehicle Reservation and Overnight Request forms, confirming appropriate approval is obtained. Check-in returned vehicles, validating that the vehicle packets are complete with keys, credit card(s) and a completed mileage log. Frequently visually inspects vehicle for cleanliness, damage, and mileage. Maintains security for the vehicle packets and duplicate keys, maintaining them in a secure, locked location when not in use. Updates the Vehicle Reservation Monitor Tracking Log and completed logs for records retention. Reviews the fuel card statement for leased vehicles routed through the Accounting Office to ensure charges are accurate. Research and report discrepancies to the Accounting Office, Regional Administrative Manager and DTSC Statewide Vehicle Administrator. Responsible for the acquisition and request of replacement cards through DGS OFAM. Assists and instructs staff regarding the appropriate use of the fleet fuel card.</p>
<p>20%</p>	<p><u>Reprographic Support</u> Provides photocopying services for regional programs utilizing either a large copier or color copier.
