California Department of Corrections and Rehabilitation (CDCR)/ California Correctional Health Care Services (CCHCS) values all team members. We work cooperatively to provide the highest level of health care possible to a diverse correctional population, which includes medical, dental, nursing, mental health, and pharmacy. We encourage creativity and ingenuity while treating others fairly, honestly, and with respect, all of which are critical to the success of the CDCR/CCHCS mission.						
PRIMARY DOMAIN:						
Under the supervision of the Chief Nurse Executive or Director of Nursing, the Nurse Instructor (NI), Correctional Facility (CF), is responsible for planning, developing, implementing, assessing, and evaluating the training, educational and competency programs for all nursing personnel in compliance with the Incarcerated Medical Services Policies and Procedures, the Mental Health Services Delivery System (MHSDS) Program Guide, and the various levels of nursing licensure. The NI, CF is responsible to work with management and other health care providers to address and meet the ongoing training needs of the staff, to facilitate and provide orientation programs for new employees, and to promote the efficient, appropriate, and cost-effective use of health care resources. The NI, CF is experienced and knowledgeable in all aspects of the nursing process, to include nursing protocols, policies and procedures, treatments, etc; nursing scopes of practice; principles, methods and strategies of teaching and
