### WORK ENVIRONMENT

Most of the incumbent's time will be spent in the field, operating equipment or working on foot. Weather conditions vary from a cold, windy, and wet winter climate to a very hot and predominately dry summer climate. Temperature extremes can range from below freezing in the winter to well over 100 degrees on a consistent basis in the summer. Occasional heavy thunderstorms can be expected in the summer months and heavy rain is to be expected in the winter. Will be required to operate equipment and work outside in extreme temperatures and inclement weather. May work on uneven surfaces and may be exposed to noise, dust, hot materials and chemicals. Will be required to wear long pants and appropriate footwear, as defined in section 4.3 of the current MOU, and must wear provided personal protective safety equipment such as shirts or vests, hard hats, safety glasses and gloves, as well as other safety devices deemed necessary. Will be required to travel extensively through the assigned area and may be required to travel to and work in other areas in the district. May be required to work overtime including nights, weekends, and holidays. May be required to work temporary and/or intermittent varied work shifts, and may respond to emergency calls.

---

I have read, understand and can perform the duties listed above. (If you believe you may require reasonable accommodation, please discuss this with your hiring supervisor. If you are unsure whether you require reasonable accommodation, inform the hiring supervisor who will discuss your concerns with the Reasonable Accommodation Coordinator.)

I agree that by providing my electronic signature for this form, I agree to conduct business transactions by electronic means and that my electronic signature is the legal binding equivalent to my handwritten signature. I hereby agree that my electronic signature represents my execution or authentication of this form, and my intent to be bound by it.
