3. DUTIES AND RESPONSIBILITIES OF POSITION	
Summary Statement (Briefly describe the position's organizational setting and major functions): Under the close supervision of the Office Manager or a Section Manager and in partnership with the management team, the employee is responsible for a variety of analytical, administrative, and technical functions critical to daily operations in the Unemployment Insurance (UI) environment. The Employment Development Specialist (EDS) in the UI Center acts as a program consultant, researching and analyzing program statistical data, including analyzing data produced by office reviews, documenting actions based on findings, and measuring results from quality reviews and Field Office Basic Evaluation System (FOBES). Assists management in tracking and monitoring the budgets, benefits, and Operating Expenses and Equipment (OE&E), develops and implements UI Center goals and improvement plans, and designing tools and processes for tracking, documenting, and measuring progress toward program goals. Analyzes and interprets responses to surveys, reviews, and studies, as they impact the UI Center environment. Researches, prepares and implements field office health and safety plans. Coordinates the preparation and distribution of reports prepared by the UI Center. Monitors office procurement processes, and assists in the development and maintenance of office premises plans, prepares technical reports related to Department equipment and property. Coordinates the development and implementation of special projects. Provides support to assigned staff, ensuring new procedures are understood and implemented correctly. May act as Single Point of Contact (SPOC) to other programs and Departments. Coordinates the determination schedules for UI interviewers.	

Percentage of Duties	Essential Functions
35%	- Researches and gathers information on center/site program operations. Reviews and analyzes data and creates reports on a variety of Operations Branch program activities, quality control reviews, statistics, and customer satisfaction results to determine progress being made. - Assists management in designing tools and processes for documenting, tracking, and measuring progress toward program goals. - Prepares flow charts, graphs, and spreadsheets to show current operations trends, and analyzes information to identify opportunities for process improvements. Summarizes data reports and briefs management team on findings. Prepares recommendations for improvements on program operations as identified through analyses of findings.
35%	- May prepare or monitor earnings and usage report on a monthly basis. Analyzes usage to determine if patterns and trends exist and makes recommendations to improve operating efficiencies. Monitors budget; analyzes usage; projects future expenditures and workload to help management determine the number of hours available for Permanent Intermittent (PI) staff usage. - Reviews and analyzes OE&E budget for fund availability and makes purchase recommendations. Tracks or monitors OE&E expenditures. Compares expenditures to the cost accounting reports and resolves differences. - Works with office management team to evaluate current and future needs to procure equipment; may act as onsite SPOC for equipment maintenance. - Analyzes use of state vehicles to ensure regular maintenance is performed to meet department requirements. - Acts as liaison to maintain the Division's telephone and data lines, central office communications systems, and other automated systems. Prepares equipment reports.
25%	- Prepares and monitors the implementation of the Injury and Illness Prevention Plans, and the Emergency Response and Operational Recovery Plans. - Maintains a listing of employees certified in first aid and/or CPR procedures. - May research and prepare reports on health and safety issues; may coordinate training as needed. - Assists new employees: desk set-up, best practices, office policies, computer and email navigation skills and techniques. - May act as SPOC with Business Operations Planning and Support Division's field representative to maintain the premises.
