INCUMBENT (If known)		EFFECTIVE DATE				
California Department of Corrections and Rehabilitation (CDCR) and California Correctional Health Care Services (CCHCS) are committed to transforming the correctional landscape to create safer, more professional, and more fulfilling environments for our employees, the incarcerated population, and those supervised in our communities. Through systemwide improvements grounded in proven and emerging practices, we aim to strengthen rehabilitation, enhance workplace satisfaction, and support successful reentry into the community through our institutions, parole, and community partnerships. Our shared mission is to promote safety, wellness, and human dignity while fostering positive change for all those who live and work within our institutions and communities. CDCR and CCHCS are committed to building an inclusive respectful workplace. We are determined to attract and hire candidates from all communities and empower employees from a variety of backgrounds, perspectives, and personal experiences. We are proud to foster inclusion and drive collaborative efforts at all levels of the Department. Across our organization, our programs work cooperatively to provide the highest level of health care possible to a diverse correctional population. We encourage creativity and ingenuity while treating others fairly, honestly, and with respect, all of which are critical to the success of the CDCR and CCHCS mission.						
PRIMARY DOMAIN:						
Under the general direction of the Receiver's Medical Executive, the Optometrist, Correctional Facility, conducts examinations of the eye using observation and instruments to determine visual acuity and perception, focus, and coordination to diagnose diseases and other abnormalities for the patient.
