

DUTY STATEMENT

DFW 242A (REV. 07/18/22)

Department Statement

California is one of the most biodiverse places on the planet. As such, the Department of Fish and Wildlife (CDFW) values diverse employees working together to protect nature for all Californians. CDFW is committed to fostering an inclusive work environment where all backgrounds, cultures, and personal experiences can thrive and connect others to our critical mission.

INSTRUCTIONS: A duty statement and organizational chart must be submitted with each Request for Personnel Action, Form 242	EFFECTIVE DATE
---	-----------------------

DFW DIVISION/BRANCH/REGION/OFFICE North Central Region (NCR)/Gray Lodge Wildlife Area	POSITION NUMBER (Agency-Unit-Class-Serial) 565-284-0916-905
UNIT NAME AND LOCATION Wildlife Areas/Gridley, CA	CLASS TITLE Fish and Wildlife Technician
INCUMBENT Vacant	CURRENT POSITION NUMBER (Agency-Unit-Class-Serial)

BRIEFLY DESCRIBE THE POSITION'S ORGANIZATION SETTING AND MAJOR FUNCTIONS

Under the supervision of the Fish and Wildlife Habitat Supervisor II, the incumbent will be part of a short-term regionwide "Strike Team" under the North Central Region Invasive Weeds Strike Team Grant to locate, map, prioritize locations for control, and remove invasive species through mechanical, hand, and herbicide applications; to begin the reestablishment of native vegetation to the benefit of pollinators and other wildlife species. The duties of this position are directly tied to the North Central Region Invasive Weeds Strike Team Grant that is funded for 24 months; these duties will end when the pilot ends.

PERCENTAGE OF TIME PERFORMING DUTIES	INDICATE THE DUTIES AND RESPONSIBILITIES ASSIGNED TO THE POSITION AND THE PERCENTAGE OF TIME SPENT ON EACH. GROUP RELATED TASKS UNDER THE SAME PERCENTAGE WITH THE HIGHEST PERCENTAGE FIRST. (USE THE REVERSE SIDE IF NECESSARY.)
45%	<u>ESSENTIAL FUNCTIONS:</u> Invasive Weed Removal. Between May 2026 and June 2027, the incumbent is expected to remove/eradicate invasive plant and weed species around buildings, structures, roads, trails, ditches, ponds and fields on Department lands using chemicals, hand tools and farming equipment. Follow the Departments Wildlands Integrated Pest Management practices including spraying of herbicides (under the direction and guidance of a certified herbicide applicator) while wearing proper personal protective equipment (PPE). Drive a state-issued vehicle to execute spraying of herbicides with vehicle mounted sprayer (truck, all-terrain vehicle or tractor), pull behind sprayer, and backpack sprayers, pull weeds and plants in sensitive areas.
20%	Administration and Other: Prepare records needed for compliance when using chemicals, attend job-related training sponsored by the Department and other public or professional entities. Assist in conducting wildlife surveys, including endangered species surveys. Incumbent at times will lead one or more seasonal/scientific aids on field projects.
15%	Construction and Maintenance: Assist with the day-to-day operations and maintenance of areas within the North Central Region Conservation Lands Program and assist with habitat improvements on a total of over 100,000 acres of Wildlife Areas, Ecological Reserves, and other (undesignated) areas. Incumbent will also manage excessive vegetation and maintain wildlife-friendly fences and gates. Perform in-shop and in-field construction and maintenance tasks relating to wildlife habitat development or improvement such as building fences, gates, parking lots, culverts, nesting boxes, artificial watering devices, access roads, levees, boundary, and interpretive signs, (public use) facilities. Coordinate with adjacent landowners and coordinate with leadsperson to resolve various concerns. Use all-terrain vehicles and other appropriate equipment to perform duties in an efficient manner. Safely operate and provide routine preventative maintenance on tools, project equipment and vehicles used on assigned projects. Control invasive brush and plant growth by mechanical and chemical means.

This position will report to Gray Lodge Wildlife Area in Gridley, CA and work will be performed in Butte, Sutter, Yuba, and Glenn Counties. **State housing is not available.**
