California Department of Corrections and Rehabilitation (CDCR) and California Correctional Health Care Services (CCHCS) are committed to transforming the correctional landscape to create safer, more professional, and more fulfilling environments for our employees, the incarcerated population, and those supervised in our communities. Through systemwide improvements grounded in proven and emerging practices, we aim to strengthen rehabilitation, enhance workplace satisfaction, and support successful reentry into the community through our institutions, parole, and community partnerships. Our shared mission is to promote safety, wellness, and human dignity while fostering positive change for all those who live and work within our institutions and communities. CDCR and CCHCS are committed to building an inclusive respectful workplace. We are determined to attract and hire candidates from all communities and empower employees from a variety of backgrounds, perspectives, and personal experiences. We are proud to foster inclusion and drive collaborative efforts at all levels of the Department. Across our organization, our programs work cooperatively to provide the highest level of health care possible to a diverse correctional population. We encourage creativity and ingenuity while treating others fairly, honestly, and with respect, all of which are critical to the success of the CDCR and CCHCS mission.						
PRIMARY DOMAIN:						
Under the direction of the Pharmacy Services Manager or Pharmacist II, the Pharmacist I performs professional pharmaceutical work. The Pharmacist I prepares and dispenses drugs and medications, reviews and transcribes patient charts and medications, and ensures proper handling and record keeping of drugs, poisons, and narcotics in accordance with Department policies, federal and State laws, and regulations.						
% of time performing duties	Indicate the duties and responsibilities assigned to the position and the percentage of time spent on each. Group related tasks under the same percentage with the highest percentage first. (Use addition sheet if necessary)					
	ESSENTIAL FUNCTIONS					
40%	Prepares prescriptions for dispensing, performs complete clinical reviews to ensure the appropriateness and safety of the prescriptions, and identifies potential drug interactions. Authorizes new and refill prescriptions on the pharmacy system. Completes the final product check of medications dispensed to immediate need and patients for medical procedures. Advises and consults with physicians and specialists regarding drug matters and the proper prescribing and dispensing of medications to patients, performs monthly audits of the medication areas in the facility, and ensures that drugs and medications are stored and handled properly. Provides patient information and counseling, provides drug information to physicians and nurses and contacts and confers with physicians regarding questions or issues with prescriptions. Acts as a lead and oversees the work activities of Pharmacy Technicians to ensure productivity and maintain quality standards.					

35%	Ensures proper handling and record keeping of drugs, poisons, and narcotics as required by federal and State laws and regulations; maintains accurate records and ensures they are available when needed. Maintains an inventory system, ensures adequate and efficient control of controlled substances and complies with the policies and requirements of the Department. Trains pharmacy staff that dispenses controlled substances and ensures the security of drugs stored within the pharmacy, clinics, and other medication areas.
20%	Instructs pharmacy staff in routine phases of the work. Prepares various reports and provides information as required. Works in collaboration with other health care providers to implement safe and sanitary practices. Participates in committees, seminars, and meetings to discuss the delivery of safe and effective drug therapy.
5%	Performs other duties as required.
