

STATE OF CALIFORNIA DEPARTMENT OF FORESTRY AND FIRE PROTECTION POSITION ESSENTIAL FUNCTIONS DUTIES STATEMENT PO-199 (06/16)		Working Title of Position Information Technology Specialist I – San Diego Unit	
		Division and/or Subdivision Information Technology Services	
INSTRUCTIONS: The Director is required by Government Code Section 19818.12 to report (or to record) "...material changes in the duties of any position in his or her jurisdiction". The Position Essential Functions Duties Statement is used for this purpose. Enter identifying information and effective date at the right. Enter brief description of each of the important duties and responsibilities of the position below. Group related duties in numbered paragraphs and indicate the percentage of total time occupied. Indicate the "essential functions" of the position by placing an asterisk (*) in front of those individual duties you determine to be essential to the job. Discuss the duties with the employee assigned to the position. Both the employee and supervisor sign the document where indicated. The supervisor retains the original document and provides a copy to the employee.		Location of Headquarters West Sacramento	
		Class Title of Position Information Technology Specialist I	
		Position Number 541-021-1402-904	
		Effective Date August 2026	
Percentage of Time Required	Effective on the date indicated, the employee assigned to the position identified above performs the following duties and responsibilities.		
45%	Under the direction of the Information Technology Technical Support Supervisor (Information Technology Supervisor II), the Information Technology Specialist I shall perform the following duties under the Client Services domain, the Project Management domain, and the System Engineering domain. Duties include but are not limited to: *Perform a variety of analytical, problem solving, complex, and administration activities, including but not limited to network hardware programming and mounting of network devices, in support of the California Department of Forestry and Fire Protection (CAL FIRE) Information Technology (IT) infrastructure and the local Unit network infrastructure, including Local Area and Wide Area Networks (LAN and WAN) at fire stations and fire camps. *Procure and plan network infrastructure upgrades. *Configure/reset non-managed switches, routers, and wireless access points in San Diego (SDU) headquarters, fire stations, and fire camps. *Responsible for the repair, maintenance, upgrade, and replacement of IT hardware at the San Diego Unit*Drive state vehicle to facilities, fire stations, fire camps, and conduct deployments/repairs onsite as needed. *Will support both networked and stand-alone personal computers (PC), smartphones, and tablets. *Perform the installation of Microsoft Windows operating system (OS) of CAL FIRE workstations (using CAL FIRE standard OS image) and CAL FIRE approved software and hardware. *Perform a variety of administration activities in support of CAL FIRE's Microsoft Windows server environment, including system administration of user accounts, security groups/roles in Active Directory, New Technology File System (NTFS) folder permissions on local file servers and maintains printers on local print server. *Maintain an accurate ongoing inventory of IT assets hardware in assigned unit. *Coordinate problem resolution and escalate issues as needed, either to the supervisor or to tier II support in Sacramento. *Perform project management, resource allocation, coordination, and project related procurement of locally initiated unit IT projects. *Act as the 1st and 2nd tier help desk support technician by responding to and completing requests and tickets submitted by end users. *Resolve assigned Help Desk problem tickets by entering descriptive and structured reports into the Help Desk solutions database. *These are the essential functions for this position. Essential functions are those functions that the individual who holds the position must be able to perform unaided or with the assistance of a reasonable accommodation.		
Equal Employment Opportunity (EEO) Statement: All CAL FIRE employees are expected to conduct themselves in a professional manner that demonstrates respect for all employees and others they come in contact with during work hours, during work related activities, and anytime they represent the department. Additionally, all CAL FIRE employees are responsible for promoting a safe and secure work environment free from discrimination, harassment, inappropriate conduct, or retaliation.			
Job qualifications and/or conditions of employment: See page 2.
