California Department of Corrections and Rehabilitation (CDCR) and California Correctional Health Care Services (CCHCS) are committed to transforming the correctional landscape to create safer, more professional, and more fulfilling environments for our employees, the incarcerated population, and those supervised in our communities. Through systemwide improvements grounded in proven and emerging practices, we aim to strengthen rehabilitation, enhance workplace satisfaction, and support successful reentry into the community through our institutions, parole, and community partnerships. Our shared mission is to promote safety, wellness, and human dignity while fostering positive change for all those who live and work within our institutions and communities. CDCR and CCHCS are committed to building an inclusive respectful workplace. We are determined to attract and hire candidates from all communities and empower employees from a variety of backgrounds, perspectives, and personal experiences. We are proud to foster inclusion and drive collaborative efforts at all levels of the Department. Across our organization, our programs work cooperatively to provide the highest level of health care possible to a diverse correctional population. We encourage creativity and ingenuity while treating others fairly, honestly, and with respect, all of which are critical to the success of the CDCR and CCHCS mission.						
PRIMARY DOMAIN:						
Under the supervision of the Supervisor I (Retention Solutions), the Analyst I will be responsible for the less complex analytical functions associated with all aspects of workforce planning, including research, policy interpretation, program support and assist in other special assignments within the unit, operating congruently with organizational culture, values, and vision. The Analyst I will support and promote a positive working environment and productive relationship with all staff and stakeholders of the CCHCS in an ethical and professional manner. Travel may be required.						
% of time performing duties	Indicate the duties and responsibilities assigned to the position and the percentage of time spent on each. Group related tasks under the same percentage with the highest percentage first. <i>(Use addition sheet if necessary)</i>					
	ESSENTIAL FUNCTIONS					
40%	Provides guidance on workforce trends, talent management, and employee retention to assist in developing, implementing, and supporting the department's statewide retention efforts. Develop procedures and or recommendation on the goals and performance measures of the unit and related activities, assist in providing recommendations on tools and resources for executive and upper-level management staff to support retention efforts and planning activities. Provides guidance and assistance to program leadership in developing and maintaining policies and procedures appropriate for implementation of statewide efforts.					

25%	Work closely with strategic partners across the organization to assess current strategies in employee development, engagement, and recognition. With those partners, continuously review current data sets, department programs, and other relevant data points to assess level of impact on retention efforts. Conduct research on current best-practices approach to employee retention and define effective practices appropriate for implementation. Assist in the development of assessment tools, reports, and benchmarks to evaluate the success of the program and make recommendations based on results.
25%	Develop and provide recommendations on internal procedures and needed policy to support all retention-related efforts for the organization and the retention unit. Confer with other agencies regarding retention strategies and other workforce related issues. Prepare strategies and participate in discussions regarding retention and related efforts. Trains other retention staff as needed. Directs the preparation of various reports and manuals, and reviews unit documents for finalization.
