SUPERVISION OR GUIDANCE EXERCISED OVER OTHERS

Provides general supervision for Caltrans Highway Maintenance Leadworker/Caltrans Landscape Maintenance Leadworker, Caltrans Equipment Operator I and Caltrans Equipment Operator II and Caltrans Highway Maintenance Worker/Caltrans Landscape Maintenance Worker.

KNOWLEDGE, ABILITIES, AND ANALYTICAL REQUIREMENTS

Knowledge: Incumbent must have the knowledge of materials, methods and equipment used in the Maintenance Department; operation and care of automotive equipment including light trucks, construction equipment and power tools; provisions of the California Vehicle Code rules and regulations pertaining to operation of vehicles and highway/landscape maintenance practices. Must have knowledge of the principles of effective supervision; responsibility for promoting equal opportunity throughout the workplace; maintain a work environment free of discrimination and harassment; and maintain an effective Injury & Illness Prevention Program. Must be able to direct the training and development of personnel in various types of operations; modify and change work methods to solve various problems encountered in daily operations and during emergency situations; determine equipment and personnel needed to complete a job. Knowledge of the basic occupational safety and health regulations in Title 8 Industrial Relations-Construction and General Safety Orders. While the incumbent is under the general direction of a Caltrans Area Superintendent, the responsibility for decisions is at this level and poor judgment could result in serious injury or death to the employee, crew members, other Caltrans employees, court referrals, and the traveling public resulting in tort liability or employee grievances for the department. Errors in judgment could also result in civil and/or criminal liability for the supervisor. Need to exercise judgment in determining job needs including (but not limited to) safety and in meeting emergency field situations. Knowledge of methods of landscape maintenance used in highway planting and irrigation.

Ability: Plan and give directions at a level required for successful job performance; organize, conduct, and evaluate safety training programs; analyze grade and slope status; install and evaluate retaining walls; interpret blueprints; detect unsafe working conditions; follow oral, and/or written instructions; communicate clearly over a two-way radio system and keep simple records. Must have administration abilities and be able to maintain monthly expenditures of equipment usage, material usage, personnel hours and record keeping.

Analytical: Analyze situations accurately and adopt an effective course of action. The ability to establish and maintain order, while treating subordinates, co-workers and court referrals in a respectful, professional manner. Analytical ability is required to plan, budget determine equipment needs and schedule the work of others. As a job is in progress, incumbent must continually assess weather conditions, traffic, equipment breakdowns, etc., and adjust planned work accordingly, including emergencies when quick thinking is essential. Prepare correspondence, clear and comprehensive reports, and communicate effectively.

RESPONSIBILITY FOR DECISIONS AND CONSEQUENCES OF ERROR

While the incumbent is under the general direction of a Caltrans Area Superintendent, the responsibility for decisions is at this level and poor judgment could result in serious injury or death to the employee, crew members, other Caltrans employees, court referrals, and the traveling public resulting in tort liability or employee grievances for the department. Errors in judgment could also result in civil and/or criminal liability for the supervisor. Need to exercise judgment in determining job needs including (but not limited to) safety and in meeting emergency field situations.

POSITION DUTY STATEMENT

DOT PM-0924 (REV 01/2025)

PUBLIC AND INTERNAL CONTACTS

The incumbent will have continual contact with other crew members and may have contact with the Court Referrals.

Considerable contact with other Caltrans employees, Courts, Volunteer Centers, the California Highway Patrol and other law enforcement personnel. Some contact with the general public. Some contact with other governmental agencies, vendors and others.

PHYSICAL, MENTAL, AND EMOTIONAL REQUIREMENTS

Physical: The incumbent will be required to do heavy manual labor including moving/placing heavy objects by lifting, pulling, pushing and carrying; as well as power grasping, squatting, stooping, kneeling, bending, twisting, reaching, climbing, walking on uneven/unstable ground; working in confined spaces; and standing or sitting for prolong periods. May be required to sit in/on and drive or operate maintenance and landscape vehicles. The incumbent will be required to wear earplugs for loud noises; wear respirators; and have appropriate safety gear at all times. The incumbent will be required to clean up in the event of vehicle accidents, hazardous spills or general trash and debris. The incumbent must be able to hear and see, with or without corrective assistance, at a satisfactory level to ensure the safety of the employee and others. This position is a drug sensitive class. The incumbent will be required to pass a pre-employment drug test and be subject to reasonable suspicion testing during appointment. If incumbent possesses a commercial driver's license, employee will be required to take random drug tests through appointment.

Mental & Emotional: Must have the ability to develop and maintain cooperative working relationships; respond appropriately to difficult situations; recognize emotionally charged issues or problems; and cope with and respond to emergency situations such as traffic/weather conditions and other natural disasters. Will be required to deal tactfully and courteously with public and crew under stressful and possibly adverse conditions. Must be able to focus on precise work beyond the distractions of traffic, be emotionally stable, alert, and aware at all times. Reason logically, draw valid conclusions, make appropriate recommendations, and adopt an effective course of action. May need to determine amounts of materials and length of time to accomplish a job. This position is responsible for working cooperatively with team members and supervisors to identify innovations that will increase productivity, reduce cost and maintain or improve quality. This position must adhere to the customer service standards set by their unit and provide high quality service to both internal and external customers.

WORK ENVIRONMENT

The employee will be based at a Maintenance Station in a climate-controlled environment under artificial lights, but some of the duties and time will be spent outdoors. Weather conditions vary from a cold windy and wet winter climate to a very hot and dry summer climate. May be exposed to dirt, dust, fumes, hot materials, chemicals, loud noises, inclement weather, steep, uneven, and/or unstable terrain, fast moving traffic, and/or extreme temperatures. May be required to sit or stand for long periods of time. May be exposed/put in stressful situations. Will be required to wear long pants and appropriate footwear in good condition, and must wear provided personal protective safety equipment including but not limited to: shirts or vests, hard hats, safety glasses, gloves, face shields, respirators, ear plugs, as well as other safety devices deemed necessary. The incumbent will be required to travel extensively throughout the assigned area and may be required to travel and work in other areas in the District.
