POSITION DUTY STATEMENT

DOT PM-0924 (REV 01/2025)

35%	E	As directed by the supervisor, or a change in law, develops new regulations, and modifies and updates existing regulations related to Encroachment and Outdoor Advertising Programs in collaboration with Headquarters and District functional units, Legal, Federal Highway Administration, outdoor advertising companies, Office of Administrative Law, lobbyists, and other internal and external stakeholders. Implements regulations by following the regulation process and adhering to the Office of Administrative Law process and timelines. Generates written legislative bill analysis to evaluate proposed laws and impacts to the Encroachment and Outdoor Advertising Permit Programs when assigned by the supervisor or Office Chief. Composes guidance, policies, and procedures that clearly specify the roles and responsibilities for headquarters and districts pertaining to the Encroachment and Outdoor Advertising Programs. Develops production, compliance, and performance reports and data visualizations using Tableau or similar software to track and optimize the Encroachment and Outdoor Advertising Permits Programs.
25%	E	Coordinates with districts and other divisions on permitting program-related activities such as process improvements, innovative technologies, and improving standardized procedures. Supports and coordinates with IT to develop, maintain, and manage IT systems and other tools required to improve the permitting program administration. Uses various software to retrieve data from databases and other IT systems, performs data analysis, prepares and composes reports as requested by management. Assists with managing contracts and task orders as assigned. Supports, monitors, and manages Outdoor Advertising Permit violations and resulting legal actions in coordination with the Division of Legal. Develops and implements software tools using reporting software(Tableau) and Geographic Information Systems (ESRI GIS) to assist District Caltrans Encroachment Permit System (CEPS) users in performing tasks required to manage, monitor, and issue encroachment permits. Works with districts to develop, analyze, and adjust workload standards and develop the annual budget for the programs. Monitors resource usage and works with the districts and Branch Chief to address program resource issues.
25%	E	Supports Quality Management activities such as auditing districts' compliance with established policies and procedures. Responds to external agency audit reports, implements recommendations, and monitors results related to Encroachment and Outdoor Advertising Permit Programs. Serves on teams composed of district and headquarters staff and contributes to the evaluation of existing policies and procedures, composes new best practices, and monitors results. Promotes uniform implementation of policies and procedures among districts to ensure compliance. Implements GIS tools that assist with district compliance.
10%	E	Prepares correspondence, issue papers, and reports. Supports developing Budget Change Proposals, Finance Letters, Feasibility Study Reports, audits, inventories, and inquiries in concert with the Divisions of Information Technology, Maintenance, and Budgets, as required by the Department of Finance and the Legislative Analyst Office.
5%	M	Completes a variety of special projects and assignments as needed by the Division Chief, Deputy Division Chief, Office Chief, and Branch Chief. Performs other work commensurate with the Transportation Engineer (Civil) classification.

¹ESSENTIAL FUNCTIONS are the core duties of the position that cannot be reassigned.
MARGINAL FUNCTIONS are the minor tasks of the position that can be assigned to others.

SUPERVISION OR GUIDANCE EXERCISED OVER OTHERS
None. May act in a lead capacity on special projects.

KNOWLEDGE, ABILITIES, AND ANALYTICAL REQUIREMENTS

Requires knowledge of: Basic principles of physics, chemistry, and mathematics as applied to civil engineering; engineering surveying; hydrology and hydraulics; stress analysis; mechanics; strength of materials; properties and uses of engineering construction materials; methods and equipment of engineering construction; engineering economics.

Requires the ability to: Do simple mapping and drafting and make neat and accurate computations and engineering notes; select and/or use computer-based processes to compile engineering data; develop or assist in the development or maintenance of

POSITION DUTY STATEMENT

DOT PM-0924 (REV 01/2025)

transportation-related state-of-the-art computer programs and procedures; prepare reports; review or assist in reviewing project proposals, plans, and specifications prepared by others; perform transportation operational, traffic operations, planning, and/or maintenance engineering tasks; prepare and present information to the public about all types of transportation engineering matters; test for and prepares assessment reports of transportation surveys, investigations and analysis statements, environmental, and/or air and water quality reports; and assist a registered engineer in performing professional engineering work. As a technical subject matter expert, may lead other engineering and technical personnel.

Requires the ability to collaborate with multi-disciplinary, technical staff; communicate effectively (both orally and in writing) with multiple audiences; establish and maintain cooperative relationships with individuals and organizations contacted in the course of work; participate in public contact and represent Caltrans; serve in a consulting capacity to other divisions and districts; and respond appropriately to difficult situations.

Must be able to apply sound judgment in problem solving; work productively in a busy and often changing environment; perform multiple tasks simultaneously; maintain a project schedule; accurately and timely follow-up on issues; and effectively interact with many levels of people in a cooperative manner. Must be decisive, take appropriate actions, and complete tasks or projects with a short notice. Requires proficiency with Microsoft (MS) Office programs (including MS Word, MS Excel, MS PowerPoint, MS Outlook, MS Teams), Adobe Acrobat, Cisco WebEx, and using the Internet.

RESPONSIBILITY FOR DECISIONS AND CONSEQUENCES OF ERROR

This position is responsible for making independent action and taking initiative to carry out assigned duties. The incumbent's decisions and actions have a direct impact on the Traffic Operations Program and the Department. Inability to carry out this position's responsibilities could result in: adversely affecting public safety and/or result in tort liability for Caltrans; increased expenses resulting from lost Transportation System productivity; litigation that could delay and/or add substantial cost to essential projects or activities; inability to quantify performance in meeting the Department's strategic goals and safety and mobility commitments; loss of credibility and public confidence in Caltrans as a responsible public agency.

PUBLIC AND INTERNAL CONTACTS

The incumbent must maintain the highest level of professionalism and integrity, exhibit tact and diplomacy, and effectively communicate with all internal/external contacts.

Internal contacts include various Caltrans districts and divisions (including Design, Construction, Maintenance, External Affairs, and Engineering Services). External contacts include the Legislature, Governor's Office, CHP, FHWA, construction industry representatives, local agencies, other states, national experts, academia, the private sector, and the general public.

The incumbent must communicate effectively orally and in writing, by telephone, via email, and by web conferencing. The incumbent is also required to facilitate, participate in, and host meetings.

PHYSICAL, MENTAL, AND EMOTIONAL REQUIREMENTS

The incumbent must: quickly adapt behavior and work methods in response to new information/priorities and unexpected obstacles; multi-task; effectively interact with many levels of people in a cooperative manner; be decisive; take appropriate actions; and complete tasks or projects with a short notice. Must be able to maintain focus and intensity, yet remain optimistic and persistent, even under adversity. The incumbent shall act in a fair and ethical manner toward others; value cultural diversity and other individual differences in the workforce; and demonstrate a sense of responsibility and commitment to public services. The incumbent must be able to develop new insights into situations and apply innovative solutions to make organizational improvements; grasp the essence of new information and master new technical and business knowledge, particularly in the area of outreach; and facilitate and maintain a work environment that encourages creative thinking and innovation.

Must have the ability to work with a computer and have manual dexterity. Required to sit for long periods of time using a computer, monitors, phone, and other office equipment. The incumbent must be able to occasionally lift up to 25 pounds without assistance. Bending, stooping, and pulling may be required within the normal course of performing some of the responsibilities associated with this position. May be required to speak in front of large groups.

WORK ENVIRONMENT

This position's headquartered location is Sacramento, CA. While at the base of operation, the incumbent works in a climate-controlled office under natural and artificial lighting. Due to periodic issues with heating and air conditioning, building temperatures may fluctuate. Multi-floor buildings are equipped with elevators and stairs.

The incumbent may be required to travel periodically to other office buildings (federal and state offices, district offices, local agencies, etc.) and indoor/outdoor field locations. While at field locations, the incumbent may be exposed to uneven surfaces, noise, and varying climate conditions. The incumbent may be required to travel within the state and may be required to travel out-of-state for business operations. Possession of a valid driver's license is required to operate a State owned, leased, and/or personal vehicle. The environment is fast-paced, demanding, and busy; and requires considerable flexibility in managing time,

priorities and assignments. Vacations may be restricted during peak times.

This position may be eligible for telework. The amount of telework is at the discretion of the Department and based on Caltrans' evolving telework policy. Caltrans supports telework, recognizing that in-person attendance may be required based on operational needs. Employees are expected to be able to report to their worksites with minimum notification if an urgent need arises. The selected candidate will be required to commute to the headquartered location as needed to meet operational needs. Business travel may be required and reimbursement considers an employee's designated headquartered location, primary residence, and may be subject to CalHR regulations or applicable bargaining unit contract provisions. All commute expenses to the headquartered location will be the responsibility of the selected candidate.

I have read, understand and can perform the duties listed above. (If you believe you may require reasonable accommodation, please discuss this with your hiring supervisor. If you are unsure whether you require reasonable accommodation, inform the hiring supervisor who will discuss your concerns with the Reasonable Accommodation Coordinator.)
