Direction Statement and General Description of Duties: Under general direction of the manager, with minimal day-to-day supervision, the Licensing-Registration Examiner performs the most difficult and sensitive work in an environment which routinely requires a calm, courteous, and tactful approach in providing customer service. The incumbent interacts respectfully and effectively with supervisors, peers, other departmental employees, and supporting agencies, contributing to the overall efficiency of the office. The amount of time performing certain tasks may vary based on the needs of the office. Saturday and/or extended office hours may be required.

Percentage and Essential/Marginal Functions:

POSITION DUTY STATEMENT

50%	(E) Conduct and score driving performance evaluations to determine whether examinees possess at least the minimum level of skill and knowledge required to operate a motor vehicle. Prepare detailed summaries and comments regarding the results of driving performance evaluations. Issue instruction permits and/or temporary driver licenses to examinees that meet the requirements to operate a motor vehicle.
15%	(E) Administer and score general knowledge examinations and vision tests to determine whether the examinees possess at least the minimum requirements and standards to operate a motor vehicle and/or possess a special certificate and/or license endorsement. Evaluate Department of Motor Vehicles (DMV) vision referral forms to determine whether driver license examinees meet the minimum vision standards required to operate a motor vehicle. Evaluate Driver Safety Referrals to determine the appropriate driver license examination to administer to an examinee. Determine if license restriction should be added or removed from driver licenses. Evaluate Commercial Driver License examinee's ability to identify and explain various parts and safety equipment on a commercial vehicle (such as tires, brake systems, lights and fire extinguisher) in completing pre-tip inspection evaluations. Conduct vehicle inspections to verify a variety of vehicle information (such as the Vehicle Identification Number, odometer reading, body type, emission equipment, license plate number). Serve notice of and gives and receives information concerning suspensions, revocations, and cancellation of driver licenses.
10%	(E) Review various forms pertaining to driver licensing, vehicle registration and ownership, and/or other related matters to verify authenticity, signatures, and completeness of information, and to determine whether the information meets the requirements for the requested transaction. Identify and flag suspicious behavior or potentially fraudulent documents. Input sensitive customer and transaction information accurately into various databases to complete transactions. Take photographs of individuals for licensing and/or identification purposes using a video capturing device or camera. Thumbprint individuals for licensing and/or identification purposes using a video capturing device or inepad. Make photocopies of documents and scan for filing, routing, and/or processing.
10%	(E) Interpret, apply, and explain provisions of the Vehicle Code and the regulations, policies, and procedures of the Department of Motor Vehicles pertaining to the licensing of
