The California Department of Corrections and Rehabilitation (CDCR) and the California Correctional Health Care Services (CCHCS) are committed to building an inclusive and culturally diverse workplace. We are determined to attract and hire more candidates from diverse communities and empower all employees from a variety of backgrounds, perspectives, and personal experiences. We are proud to foster inclusion and drive collaborative efforts to increase representation at all levels of the Department.

CDCR/CCHCS values all team members. We work cooperatively to provide the highest level of health care possible to a diverse correctional population, which includes medical, dental, nursing, mental health, and pharmacy. We encourage creativity and ingenuity while treating others fairly, honestly, and with respect, all of which are critical to the success of the CDCR/CCHCS mission.

CDCR and CCHCS are proud to partner on the California Model which will transform the correctional landscape for our employees and the incarcerated. The California Model is a systemwide change that leverages national and international best practices to address longstanding challenges related to incarceration and institution working conditions, creating a safe, professional, and satisfying workplace for staff as well as rehabilitation for the incarcerated. Additionally, the California Model improves success of the decarcerated through robust re-entry efforts back into to the community.

PRIMARY DOMAIN:

Under the administrative supervision of the Supervising Registered Nurse (SRN) II/III, Correctional Facility (CF), and the clinical supervision of the Staff Psychiatrist, Correctional and Rehabilitative Services (Safety), the Medical Assistant (MA) provides support to the Psychiatrists in a variety of clinical settings. The MA under the clinical direction of the Psychiatrist or the valid authorization by a Psychiatrist's order is responsible for performing patient oriented procedures, providing support to the mental health care team for daily operations, communicating effectively with patients, Psychiatrists, and other members of the health care team, and performing administrative duties. The MA is responsible for addressing the ongoing needs of patients, working with the Psychiatrists and other health care providers, and promoting the efficient, appropriate, and cost-effective use of health care resources.
