General Statement

Under general direction from the Senior Apprenticeship Consultant within the Division of Apprenticeship Standards, the Apprenticeship Consultant is responsible for providing technical assistance, guidance and support to apprenticeship and on-the-job training programs while serving as a source of information to workers, employers, their representatives, and the general public regarding Apprenticeship, Pre-Apprenticeship and On-The-job training programs. Duties include, but not limited to the following: Develop and consult with Apprenticeship and "On-The-Job" training programs, provide guidance on compliance with state and federal apprenticeship laws and regulations, conduct program reviews, attend apprenticeship program meetings, public meetings, job fairs and outreach events.

Candidates must be able to perform the following essential functions with or without reasonable accommodations.

Percentage of Time Spent	Duties Essential Job Functions
40%	Consult and advise employers, employer groups, community based organizations, union and non-union organizations using best practices in the oversight of existing registered apprenticeship programs. Provide guidance and recommendations to local, regional and statewide joint-employer-employee apprenticeship and training committees to ensure programs operate efficiently and in accordance with apprenticeship laws, statutes, policies and regulations. Assist employer's, employer groups, employees', community-based organizations, union and non-union organizations in the development, registration and operation of apprenticeship, pre-apprenticeship and/or On-The-Job training programs while using best practices for operational efficiency.
30%	Attend apprenticeship program committee meetings and other intermediator meetings to serve as an advisor in best practices for matters related to program operations, procedures, and disciplinary actions. Attend or conduct informational meetings for stakeholders using interpersonal contact, conference calls or video conferencing. Conduct formal and informal apprenticeship program compliance reviews while providing corrective action guidance by following the DAS procedure manual. Process and maintain data in various electronic systems such as the California Apprenticeship System (CAS) database, SharePoint and other electronic database systems used by the State of California and the Division of Apprenticeship

	Standards (DAS).
25%	Consult and advise new stakeholders and intermediaries in the development processes of state registered apprenticeship program standards. Promote equal employment opportunities in apprenticeship and on-the-job training programs while participating in outreach events at industry trades shows, community based organizations, Schools and Community Colleges including women organizations and groups, able disabled, veteran groups, under-served populations and other external stakeholders. Develop and deliver various digital presentations to committee members, stakeholders and intermediaries on matters related to apprenticeship using standard Microsoft office programs. Contribute as a lead or subject matter expert (SME) to provide knowledge transfer of systems to internal staff by sharing experience and procedures relevant to registered apprenticeship. Review and score grant applications for apprenticeship, pre-apprenticeship and/or on-the-job training programs using a scoring sheet.

Percentage of Time Spent	**Marginal Job Functions**
5%	Perform other duties such as assisting with office walk-ins, phone and email inquiries from the public on matters related to apprenticeship and pre-apprenticeship. Review, update, and revise Apprenticeship Information Guides. As needed, prepare correspondence. Represent the Division of Apprenticeship Standards (DAS) at assigned functions or meetings (such as but not limited to job fairs and informational events).

Conduct, Attendance, and Performance Expectations

This position requires some local and intrastate travel. Some travel destinations may require overnight stays. Must be willing to work flexible hours that are necessary to meet the business needs of the division.

This position requires the incumbent to maintain regular attendance as determined by the position and is at the Department's sole discretion. Must be able to communicate effectively, both orally and in writing, in dealing with the public and/or other employees. Ability to develop and maintain knowledge and skills related to specific tasks, methodologies, materials, tools, and equipment. Must complete assignments in a timely and efficient manner while adhering to departmental policies and procedures regarding attendance, leave, and conduct.

Supervision Received

The Apprenticeship Consultant reports directly to and receives the majority of assignments from the Senior Apprenticeship Consultant. However, direction and assignments may come from the Area Administrator, , the Deputy Chief or Chief of the Division.

Supervision Exercised

None

Work Environment, Special Requirements/Other Information, Physical Abilities, Additional Requirements/Expectations, and Personal Contacts
