INTRODUCTION TO THE LEAP PROGRAM

The Limited Examination and Appointment Program (LEAP) is an alternative examination and appointment process designed to facilitate the recruitment and hiring of persons with disabilities into the State of California civil service. The LEAP examination process is a two-part process that consists of: (1) a Minimum Qualifications Assessment (Readiness Evaluation) and (2) a Job Examination Period that is administered and evaluated in the work setting.

To qualify to take this LEAP Minimum Qualifications Assessment (Readiness Evaluation), you must first have LEAP certification issued by the Department of Rehabilitation (DOR). For information regarding obtaining LEAP certification from the DOR, visit the Department of Rehabilitation website and use the search term LEAP Certification. **POSITION DESCRIPTION**

**Business Service Assistant (Specialist)**

This is the entry, developmental and first (Specialist) working level in the series. While in a trainee capacity, incumbents work under close supervision and learn to perform a variety of technical and analytical business service activities. As their skills and abilities develop, incumbents are expected to perform with increasing independence. Fully trained incumbents may, under supervision, independently perform technical business service work of a routine nature in a variety of functions; assist in the performance of more difficult and complex technical and analytical business service work; or be assigned responsibility for one or more of the least complex business service functions which are Equipment and Supplies Management, Support Services and Building Maintenance. (Analytical business service work performed at this level is described as that which would otherwise be appropriate for a Management Services Technician.)

Positions at this level are nonsupervisory but may serve as lead over lower level clerical and other staff. Positions are permanently allocated to this class when the major portion of the duties do not include independent responsibility for the more difficult and complex assignments found at the Business Service Officer I (Specialist) level.

**MINIMUM QUALIFICATIONS ASSESSMENT (READINESS EVALUATION) SCOPE**

This assessment consists of the following test component:

**Minimum Qualifications Assessment (Readiness Evaluation) – Pass or Fail**

To obtain a position on the **Business Service Assistant (Specialist)** referral list, a pass result must be received. Applicants will receive their result upon completion of this Minimum Qualification Assessment.

**REFERRAL LIST INFORMATION**

A servicewide, open referral list for the **Business Service Assistant (Specialist)** classification will be established for the State of California (all State of California departments, statewide).

The names of persons who successfully pass this Minimum Qualifications Assessment (Readiness Evaluation) will be merged onto a LEAP Referral List for the **Business Service Assistant (Specialist)** classification. Candidates who pass the Minimum Qualifications Assessment (Readiness Evaluation) will remain on the list for 24 months. All State departments may use the **Business Service Assistant (Specialist)** Referral List to select candidates for vacant positions.

LEAP Referral List eligibility expires 24 months after it is established. Competitors must then retake the **Business Service Assistant (Specialist)** Minimum Qualifications Assessment to reestablish list eligibility.
LEAP EXAMINATION PROCESS INFORMATION

PART 1: MINIMUM QUALIFICATIONS ASSESSMENT (READINESS EVALUATION) – Weighted 100%

This LEAP Minimum Qualifications Assessment (Readiness Evaluation) consists solely of minimum qualification questions that assess the training, experience and education that you have previously obtained. Your responses to the questions will determine if the training, experience, and education you have, meet the minimum qualifications for the Business Service Assistant (Specialist) classification. If your Minimum Qualifications Assessment (Readiness Assessment) result is “pass”, your name will be placed on the Business Service Assistant (Specialist) Referral List and you will have referral list eligibility to apply for Business Service Assistant (Specialist) vacancies.

Applicants who obtain Business Service Assistant (Specialist) LEAP Referral List eligibility must compete for state of California job vacancies in order to begin PART 2 of this process, which is called the JOB EXAMINATION PERIOD (JEP).

PART 2: JOB EXAMINATION PERIOD (JEP)

The JEP begins after you are hired and obtain an examination appointment. When you perform the duties of your state job, you will be evaluated on your job performance every four weeks or more often. Your evaluation will be based on the classification specification and the duty statement of the position.

The JEP will be the same length as the length of the probationary period for the same non-LEAP classification.

After successful completion of both the Minimum Qualifications Assessment and the JEP, the result will be a transition from an examination appointment to a standard appointment as a Business Service Assistant (Specialist). If appointed through the LEAP examination process, you will not be required to serve a probationary period.
