INTRODUCTION TO THE LEAP PROGRAM

The Limited Examination and Appointment Program (LEAP) is an alternative examination and appointment process designed to facilitate the recruitment and hiring of persons with disabilities into the State of California civil service. The LEAP examination process is a two-part process that consists of: (1) a Minimum Qualifications Assessment (Readiness Evaluation) and (2) a Job Examination Period that is administered and evaluated in the work setting.

To qualify to take this LEAP Minimum Qualifications Assessment (Readiness Evaluation), you must first have LEAP certification issued by the Department of Rehabilitation (DOR). For information regarding obtaining LEAP certification from the DOR, visit the Department of Rehabilitation website and use the search term LEAP Certification. There you will find a link to Find an Office. Alternatively, to find a DOR office near your home, call (916) 558-5300, TTY (916) 558-5302.

The legal authority for the Limited Examination and Appointment Program is Government Code Sections 19240-19244.

(Additional qualifying experience may be substituted for the required education on a year-for-year basis.) A Master's Degree in Industrial Hygiene or Occupational Health, acquired in a two-year master's degree program including planned work experiences, may be substituted for the two years of required general experience.

**POSITION DESCRIPTION**

**Associate Industrial Hygienist (LEAP)**

This is the full professional journey level. Under general direction, performs difficult industrial hygiene work in connection with health hazards in places of employment; does research on problems of occupational hazards; develops special sampling and measuring apparatus and techniques; investigates complaints of unhealthful working conditions and recommends corrective action; represents the department at meetings of professional and community groups; works with and advises local health departments, industry and employee groups, and State and other governmental agencies in the field of industrial hygiene; assists in collecting and interpreting statistical data; prepares articles for publication; assists in training, directing, and reviewing the work of other personnel; prepares reports and correspondence; may act as lead person over subordinate staff members in connection with studies or special projects; and does other related work.

**MINIMUM QUALIFICATIONS ASSESSMENT (READINESS EVALUATION) SCOPE**

This assessment consists of the following test component:

**Minimum Qualifications Assessment (Readiness Evaluation) – Pass or Fail**

To obtain a position on the Associate Industrial Hygienist (LEAP) referral list, a pass result must be received. Applicants will receive their result upon completion of this Minimum Qualification Assessment.

**REFERRAL LIST INFORMATION**

A servicewide, open referral list for the Associate Industrial Hygienist (LEAP) classification will be established for the State of California (all State of California departments, statewide).

The names of persons who successfully pass this Minimum Qualifications Assessment (Readiness Evaluation) will be merged onto a LEAP Referral List for the Associate Industrial Hygienist (LEAP) classification. Candidates who pass the Minimum Qualifications Assessment (Readiness Evaluation) will remain on the list for 24 months. All State departments may use the Associate Industrial Hygienist (LEAP) Referral List to select candidates for vacant positions.
LEAP Referral List eligibility expires 24 months after it is established. Competitors must then retake the Associate Industrial Hygienist (LEAP) Minimum Qualifications Assessment to reestablish list eligibility.

**LEAP EXAMINATION PROCESS INFORMATION**

**PART 1: MINIMUM QUALIFICATIONS ASSESSMENT (READINESS EVALUATION) – Weighted 100%**

This LEAP Minimum Qualifications Assessment (Readiness Evaluation) consists solely of minimum qualification questions that assess the training, experience and education that you have previously obtained. Your responses to the questions will determine if the training, experience, and education you have, meet the minimum qualifications for the Associate Industrial Hygienist classification. If your Minimum Qualifications Assessment (Readiness Assessment) result is “pass”, your name will be placed on the Associate Industrial Hygienist Referral List and you will have referral list eligibility to apply for Associate Industrial Hygienist vacancies.

Applicants who obtain Associate Industrial Hygienist LEAP Referral List eligibility must compete for state of California job vacancies in order to begin PART 2 of this process, which is called the JOB EXAMINATION PERIOD (JEP).

**PART 2: JOB EXAMINATION PERIOD (JEP)**

The JEP begins after you are hired and obtain an examination appointment. When you perform the duties of your state job, you will be evaluated on your job performance every four weeks or more often. Your evaluation will be based on the classification specification and the duty statement of the position.

The JEP will be the same length as the length of the probationary period for the same non-LEAP classification.

After successful completion of both the Minimum Qualifications Assessment and the JEP, the result will be a transition from an examination appointment to a standard appointment as an Associate Industrial Hygienist. If appointed through the LEAP examination process, you will not be required to serve a probationary period.
