EXAMINATION INFORMATION
This is examination utilizes an evaluation of education and experience (E&E) weighted 100%, and is based solely upon information provided with the application. Information provided with the application will be assessed compared to a standard developed in relation to the elements of the job and linked to the knowledge and abilities required on the job.

Special care should be taken to submitting a complete description of your education and experience relevant to the typical tasks, scope, and minimum qualifications stated on this announcement. Supplemental information will be accepted but competitors should read the announcement carefully to determine what kind of information will be useful to those individuals completing the evaluation.

The California Department of Public Health reserves the right to revise the examination plan to better meet the needs of the service if the circumstances under which this examination was planned change. Such revision will be in accordance with civil service law and rules and all competitors will be notified.

REQUIREMENTS FOR ADMITTANCE TO THE EXAMINATION
It is your responsibility to make sure you meet the education and/or experience requirements stated on this announcement on the date you submit your application. Your signature on your application indicates that you have read, understood, and possess the basic qualifications required.

NOTE: Applications must include “to” and “from” dates (month/day/year), time base, job titles and/or civil service class title(s), and range (if applicable) for all work experience. College course Information must include title, number of semester or quarter units, name of institution, completion dates, and degree. Applications received without this information will be rejected. Applicants must submit a copy of either official or unofficial transcripts along with the application when using education
to meet the entrance requirements for this examination.

**SCOPE OF EXAMINATION:** Ratings will be determined based on the depth and breadth of professional education and experience beyond what is minimally required. Emphasis will be placed on measuring:

**Chief, Laboratory Field Services**

**Knowledge of:**
1. Advanced knowledge of technical areas of clinical and public health laboratory sciences such as medical microbiology, clinical chemistry, genomics, and epidemiology.
2. Knowledge of principles, techniques, equipment, and terminology used in the laboratory investigation of diseases.

6. Knowledge of principles, practices and techniques of public health administration and personnel management, and supervision of the work of others.
8. Knowledge of the legislative process, and the clinical laboratory programs and policies of the State.
10. Knowledge of principles and procedures involved in the investigation of violations and current developments in legislative action affecting clinical and public health laboratories and personnel.
11. Knowledge of principles and practices of organization and management as applied to a clinical and public health laboratory program or activity.

**Skills to:**
1. Skill to collect, organize and analyze internal data.
2. Skill to organize specialized activities or programs.
3. Skill to collect, organize and analyze data for hearings.

**Ability to:**
1. Ability to prepare complex reports, guidelines, and proposed regulations.
2. Ability to use the available scientific resource material.
3. Ability to analyze clinical laboratory, tissue, and blood bank procedures.
4. Ability to plan and direct technical staffs engaged in clinical and public health laboratory inspection activities.
5. Ability to plan and direct technical staffs engaged in inspections of tissue banks, blood banks and other specialized facilities.
6. Ability to interpret and apply laws and regulations to specific legal issues.
7. Ability to train staff.
8. Ability to analyze complex program implementation problems and develop effective courses of action to solve them.
9. Ability to relate and effectively communicate with leadership in federal agencies, state and national professional laboratory organizations and societies, and national agencies that credential laboratory facilities and personnel.
10. Ability to plan, organize, direct, and track the work of others.
11. Ability to plan, organize, and coordinate varied complex programs.
12. Ability to confer and work with legislative representatives, advisory committees, and administrative officials of Federal, State and local agencies.
13. Ability to speak and write effectively.
14. Ability to establish and maintain cooperative relations and effective communications with staff members, local governments and all persons contacted.
15. Ability to analyze and evaluate personnel situations accurately and take effective action.
16. Ability to review, check, and interpret scientific data and reports.
17. Ability to apply rules, regulations, policies, and requirements of State and Federal clinical and public health laboratory programs.
18. Ability to provide leadership, to organize for success, and to facilitate functional needs and structure to achieve strategic goals.
19. Ability to inspire confidence and effective working relationships with employees, managers, and leaders in government or industry.
20. Ability to initiate and follow through on personnel improvements and disciplinary actions.
21. Ability to analyze and evaluate data and reach sound conclusions and take appropriate actions.
22. Ability to effectively communicate with department and agency officials and keep them apprised of significant issues or concerns.
23. Ability to prepare scientific articles for publication.
24. Ability to understand the alternatives available to the LFS Branch in the solution of information technology management problems, and work with ITSD to select the best courses of action.
25. Ability to effectively contribute to the Equal Employment Opportunity Program.
26. Ability to facilitate Public Record Act requests.

**ELIGIBLE LIST INFORMATION**
Possession of the entrance requirement does not assure a place on the eligible list. In order to obtain a position on the eligible list, a minimum rating of 70% must be attained. Names of successful competitors are merged into the open eligible list established for use by the Department of Public Health in order of final scores regardless of testing date. Eligibility expires 24 months after it is established unless the needs of the service and conditions of the list warrant a change in this period.

**VETERAN’S PREFERENCE**
Pursuant to Government Code Section 18973.1, Veteran’s Preference will be awarded in this examination as follows: 1) Any veteran, widow or widower of a veteran, or spouse of a 100 percent disabled veteran, who achieves a passing score in an entrance examination, shall be ranked in the top rank of the resulting eligibility list. Any veteran who has been dishonorably discharged or released is not eligible for veterans’ preference; 2) An entrance examination is defined, under the law, as any open competitive examination; 3) Veterans’ Preference is not granted once a person achieves permanent civil service status.

**HOW TO APPLY FOR VETERANS’ PREFERENCE**
The California State Jobs’ website (www.jobs.ca.gov) has information on how to apply for Veterans’ Preference on their website and on the Application for Veterans’ Preference form (CalHR 1093) (https://jobs.ca.gov/PDF/SPB1093.pdf). Additional information is also available at the Department of Veterans Affairs website (http://www.cdva.ca.gov).
