Requirements for Admittance into the Examination

It is your responsibility to make sure you meet the education and/or experience requirements stated below when submitting your T&E Questionnaire and standard State application. Your signature on your application indicates you have read, understood and possess the basic qualifications required. **All applications must include: “to” and “from” dates (month/day/year); time base (full-time/part-time/number of hours per week/month); and civil service class titles where applicable. Applications received without this information will be rejected.**

Examination Scope

TRAINING AND EXPERIENCE QUESTIONNAIRE – WEIGHTED 100%. The examination will consist solely of a Training and Experience (T&E) Questionnaire. To obtain a position on the eligible list, a minimum score of 70% must be obtained.

Once you have taken the T&E Questionnaire examination, you may not retest for **six (6) months**.

Veteran’s Preference points will be granted in this examination.

Career Credits will not be accepted in this examination.

Questions in the T&E Questionnaire are designed to test broad knowledge of the topic under consideration and candidates should be prepared to respond to a wide variety of issues, both technical and procedural.

Preparing for the Examination

Here is a list of suggested resources to have available prior to taking the exam.

Employment History: Employment dates, job titles, organization names and addresses, names of supervisors or persons who can verify your job responsibilities, and phone numbers of persons listed above.

Education: School names and addresses, degrees earned, dates attended, courses taken (verifiable on a transcript), persons or office who can verify education, and phone numbers of persons or offices listed above.

Training: Class titles, certifications received, names of persons who can verify your training, and phone numbers of persons listed above.

Minimum Qualifications

All applicants must meet the education and/or experience requirements as stated on this exam bulletin to be accepted into the examination. Part-time or full-time jobs, regardless of whether paid or volunteer positions, and inside or outside California state service will count toward experience.

Experience applicable to one of the following patterns may be combined on a proportional basis with experience applicable to the other pattern to meet the total experience requirement. Please note: When combining patterns all experience converts to the largest experience requirement.

All Levels:

The following education is required when non-California state service experience is used to qualify at any level:

Education: Equivalent to graduation from college. (Additional experience may be substituted for the required education on year-for-year basis.)

Pattern I

One year of experience in the California state service performing the duties of an Energy Resources Specialist II.

OR

Pattern II

Two years of experience in the California state service performing the duties of an Energy Resources Specialist I.

OR

Pattern III

Experience: Four years of experience above the trainee level in an energy resources management or research program, environmental protection or research program, applied research in the physical or biological sciences, or energy or environmental engineering. (A graduate degree in one of the physical or biological sciences, engineering, economics, operations research, or other related fields may be substituted for not more than one year of the required experience.)

The Position

This is the full management level. Incumbents have full management responsibility for the most complex and sensitive program issues having statewide impact; act as the State's expert on energy conservation practices, power production, energy management, or financing and contracting of energy projects including alternative energy resources; establish policy and priorities; and provide strong leadership and direction toward the accomplishment of major program issues. This level reports directly to the Deputy Director level.

Positions exist in Sacramento with the California Energy Commission.

Knowledge and Abilities

A. Knowledge of:

1. Energy conservation and development.
2. Principles of physical sciences and engineering involved in energy production, transmission, utilization and conservation.
3. Principles of program evaluation and planning, and energy policy analysis and formulation.
4. Federal, State, local government and private agencies involved in energy research and regulation.
5. General provisions of Federal and State laws and regulations applicable to the construction and operation of utilities.
6. General social and economic implications of energy demand forecasting and facility construction.
7. Recent research and development projects in the fields of electrical, nuclear, geothermal, solar and other energy sources.
8. Principles and procedures of environmental impact assessment, and energy supply and demand forecasting.
9. Principles and methods of personnel management and training.
10. The department's Equal Employment Opportunity Program objectives.
11. A manager's role in the Equal Employment Opportunity Program and the processes available to meet Equal Employment Opportunity objectives.

B. Ability to:

1. Reason logically and creatively and utilize a variety of analytical and research techniques to resolve complex energy conservation and development problems.
2. Develop and evaluate alternatives.
3. Analyze energy data and present ideas and information effectively both orally and in writing.
4. Consult with and advise on a wide variety of energy-related subject-matter areas.
5. Gain and maintain the confidence and cooperation of those contacted during the course of work.
6. Coordinate the work of others, act as a team or conference leader.
7. Analyze situations accurately and take effective action.
8. Plan, direct and coordinate the work of a multidisciplinary staff of engineers, scientist, economists, energy specialists, and other assistants.
9. Appear at public hearings.
10. Effectively contribute to the department's Equal Employment Opportunity objectives.

Eligible List Information

A departmental open, merged eligible list will be established for the California Energy Commission. This examination will be administered on a continuous basis. The names of successful competitors will be merged onto the eligible list in order of final scores regardless of test dates. Eligibility expires 12 months after it is established.

Equal Opportunity Employer

The State of California is an equal opportunity employer to all, regardless of age, ancestry, color, disability (mental and physical), exercising the right of family care and medical leave, gender, gender expression, gender identity, genetic information, marital status, medical condition, military or veteran status, national origin, political affiliation, race, religious creed, sex (includes pregnancy, childbirth, breastfeeding, and related medical conditions), and sexual orientation.

Drug-Free Statement

It is an objective of the State of California to achieve a drug-free State work place. Any applicant for State employment will be expected to behave in accordance with this objective, because the use of illegal drugs is inconsistent with the law of the State, the rules governing civil service, and the special trust placed in public servants.

General Information

Examination and/or Employment Application (STD 678) forms are available at the California Department of Human Resources, local offices of the Employment Development Department, and through your [CalCareer Account](#).

If you meet the requirements stated on this examination bulletin, you may take this examination, which is competitive. Possession of the entrance requirements does not assure a place on the eligible list. Your performance in the examination described in this bulletin will be rated against a predetermined job-related rating, and all applicants who pass will be ranked according to their score.

The California Energy Commission reserves the right to revise the examination plan to better meet the needs of the service, if the circumstances under which this examination was planned change. Such revision will be in accordance with civil service laws and rules and all applicants will be notified.

General Qualifications: Applicants must possess essential personal qualifications including integrity, initiative, dependability, good judgement, the ability to work cooperatively with others, and a state of health consistent with the ability to perform the assigned duties of the class. A medical examination may be required. In open examinations, investigation may be made of employment records and personal history and fingerprinting may be required.

Eligible Lists: Eligible lists established by competitive examination, regardless of date, must be used in the following order: 1) sub-divisional promotional, 2) departmental promotional, 3) multi-departmental promotional, 4) servicewide promotional, 5) departmental open, 6) open. When there are two lists of the same kind, the older must be used first. Eligible lists will expire in one to four years unless otherwise stated on the bulletin.

High School Equivalence: Equivalence to completion of the 12th grade may be demonstrated in any one of the following ways: 1) passing the General Education Development (GED) Test; 2) completion of 12 semester units of college-level work; 3) certification from the State Department of Education, a local school board, or high school authorities that the competitor is considered to have education equivalent to graduation from high school; or 4) for clerical and accounting classes, substitution of business college work in place of high school on a year-for-year basis.

Veteran's Preference: California law allows the granting of Veteran's Preference to any veteran, widow, or widower of a veteran, or spouse of a 100% disabled veteran who achieves a passing score in any Open examination to be ranked in the top rank of the resulting eligibility list. Directions to apply for Veteran's Preference are on the Veteran's Preference Application ([CalHR 1093](#)) which is available from Department of Human

Resources at jobs.ca.gov/CalHRPublic/Landing/Jobs/VeteransInformation.aspx and the California Department of Veterans Affairs at www.calvet.ca.gov/home. Veteran's Preference is not granted once a person achieves permanent civil service status.
